Instructions for Under 9's Game Day at Sutherland Sharks.

Entry to the ground for the players and **accompanying parents will be free**. How you organise your teams is up to you. It is purely for entertainment and for the kids to play at night on the best surface around in front of a crowd.

The 20's kick off at 4.30pm. I suggest parents arrive between 4.30pm and 5.50pm. You'll want a seat in the grandstand to watch the game

The 20's should complete their game by 6.15. The children will be marshalled at 6.00pm to assemble at the Miranda end of the grandstand. This way they will be ready to start as soon as that full time whistle goes.

Two fields will be set up in front of the grandstand. The children will play for approx. 15 minutes.

At 6.30pm the children will line up while first grade run on.

Children watch the game until half time.

The children will then be marshalled at around 7.10 once again ready for a quick start.

The kid's game ends when the first grade teams come out again.

If you would like to book the Association box for the night or if you have any problems give me a ring on 0408655115.
