At the Monthly General Meeting held in April 1987 it was unanimously passed that appropriate steps be taken to have North Caringbah Junior Soccer Club become an incorporated body under Section (10) of the Associations Incorporations Act 1984.

On 10th September 1987, the then Department of Business and Consumer Affairs, approved the club's application and we became officially known as:

North Caringbah Redbacks Junior Soccer Club Incorporated

This is in accordance with the Association Incorporation Act, 1984 No.143.

The Constitution of the Club has been partly based on the Model Rules of this Act (Part 1 Schedule 1).

The by-laws for the day to day administering of the club were passed at the Monthly General Meeting held in February 1988.

At a Special General Meeting held on 18th January 2007 a resolution was passed that the name of the club be changed to:

Caringbah Redbacks Football Club Incorporated

The aims and objectives of **Caringbah Redbacks Football Club Incorporated** are to foster and develop soccer football in the area and by affiliating with the Sutherland Shire Football Association Incorporated, provide competitive games as required for all players who register in the prescribed manner as directed by that Association.

Caringbah Redbacks Football Club

shall do all things necessary to implement and enforce any decision of Football New South Wales and the Sutherland Shire Football Association Incorporated relating to any player, official or person who is a member of this Club or seeks to be a member of this Club.

PRESIDENT'S REPORT

Thank you to all the new members who joined in the 2016 season and thank you and welcome back to our continuing faithful family of members. Caringbah Redbacks FC prides itself on being a friendly family club and offering a safe and healthy environment for all our members to enjoy.

The journey of football at Redbacks includes many experiences of emotion throughout the season from hectic training days to exciting game days. The journey is sometimes difficult with weather, traffic and conceding that late goal all adding to the experiences taken away from the days .

Each week we should be enjoying a healthy, happy and positive emotion whilst networking with all our friends we have made at Redbacks . The enjoyment of game day is always electric and winning becomes an objective not a necessity. Encouragement of fair play should be exercised and win or lose life memories are made on the fields in the Sutherland Shire.

Redbacks have over 560 playing members for 2016 with a great mix of Juniors, Mens and Ladies playing football for the club. The season got into full swing early with Easter being before the start but then the weather was a factor. Senior teams played 14 rounds whilst the junior competition finished up playing 16 rounds.

Redbacks were well represented and competitive in most grades and this achievement is due to the help from coaches and managers along with the support from parents, players and friends.

Bruce Tilt and International Football Group again took control of all the Friday coaching for Miniroos with great results noticed in the players. Miniroos referees from our junior club members were excellent and a big thank you to everyone who assisted in this years events.

Thank you to our sponsors for their ongoing support and financial assistance. Finally I would like to thank and congratulate the Redbacks Committee for their help in making this great club continue its great tradition.

REDBACKS ARE A FABULOUS FAMILY AND THE CLUB IS ALL ABOUT THE PEOPLE INVOLVED IN MAKING REDBACKS AN EVEN GREATER CLUB. I AM PROUD TO HAVE BEEN PART OF THE MIGHTY REDBACKS.

IT HAS BEEN A GREAT RIDE AND ALL THE BEST WISHES FOR THE FUTURE.
GARY FREELAND

SECRETARY'S REPORT

Well, another successful year completed by the Caringbah Redbacks. Congratulations to all our players, coaches, managers, supporters and volunteers, your efforts on and off the field are to be commended.

This year saw our renovations completed with our new BBQ area looking fantastic and the covered space in between the clubhouses looking great. Huge thanks to Andy Neudegg for co-ordinating and his tireless effort to get it ready for the beginning of the season.

We also welcomed many new sponsors to the club this year thanks to the awesome efforts of Nikki Durant. Please support these businesses as they support our club each week. Great job Nikki.

Giulio Di Stefano again did a wonderful job organising our mini roo referees and the field layouts each week. Thank you very much Giulio. To the Committee Duty team, congratulations on a job well done with the on-time running of the games each Saturday.

To the Age Controllers a huge thank you for all your hard work this season. There were plenty of messages going back and forth due to the weather, ie cancellations, games moved, times changed etc. You all did a fantastic job.

Ben Weldon joined our team this year and co-ordinated our Facebook (or Faceoff) page. We have over 500 followers and are looking to better that next season. Many thanks Ben. A big thank you also to Theo Dimarchos our Website Editor who, as always, did a fantastic job updating our website with all the latest information.

A huge thank you to the Committee for all your ongoing support which makes my job so much easier. Thanks also to Harry for running the canteen again this season and to Jackie for her ongoing help.

To those Committee members not returning next year, thank you so very much for all your efforts over the past seasons you will definitely be missed.

See you all next year!!

Liz Spink
Secretary

REGISTRAR'S REPORT

We had another very successful year at the Redbacks. This was my 4th year as Registrar and the whole registration process was very smooth mainly due to the excellent help I had from other committee members and the My Football Club Registration system.

I would like to say a big thank you to my assistant Registrar, Liz Spink for her help through the busy registration process. Also I would like to recognise the hard work of Andy Crawford for his help in tracking the Registration payments. I would also like to thank other committee members that gave up their time to assist with the registration process.

We are now 5 years into using the new on-line system. This year we had a few issues with the on-line system and that would explain why we only had 232 players register and pay on-line out of 537 players (43%). Last year almost 50% of players registered on line.

Our registration numbers were slightly down on last year at 537. We only had 2 Senior Women teams this year but did manage to field 2 over 35 men's teams. We did however lose our U16 boys team as we just couldn't get the numbers. All in all we were slightly down on last year when we had 560 players registered. I am pleased to say though that two thirds of our club (64%) is made up of Mini-Roos players under the age of 11. In fact 71% of our all our registrations were for Junior members. It is also important to note that junior soccer for girls is growing strong. This year out of 246 mini-roo registrations, 114 were for girls (46%).

I have listed below some further registration statistics that have been downloaded from the on-line system.

Total Registrations	537	
Mini Roos (5-11)	246	46%
Youth (12-18)	135	25%
Senior (19+)	156	29%
Male	343	63%
Female	194	36%
Total Teams	50	
SFF (5-11)	32	64%
Youth (12-18)	9	18%
Senior (19+)	9	18%

From the 1st January 2017 the on-line registration system will be available once again. I would encourage all returning players to register this way and pay via credit card or direct deposit. Only players paying by cash will need to come up to the club AFTER they have completed their registration on line.

CARINGBAH REDBACKS FOOTBALL CLUB INC

Thanks to everyone on the committee and club members for their support and assistance in 2016. Let's hope we can increase our registration numbers for next year and bring all our players back for more fun in 2017.

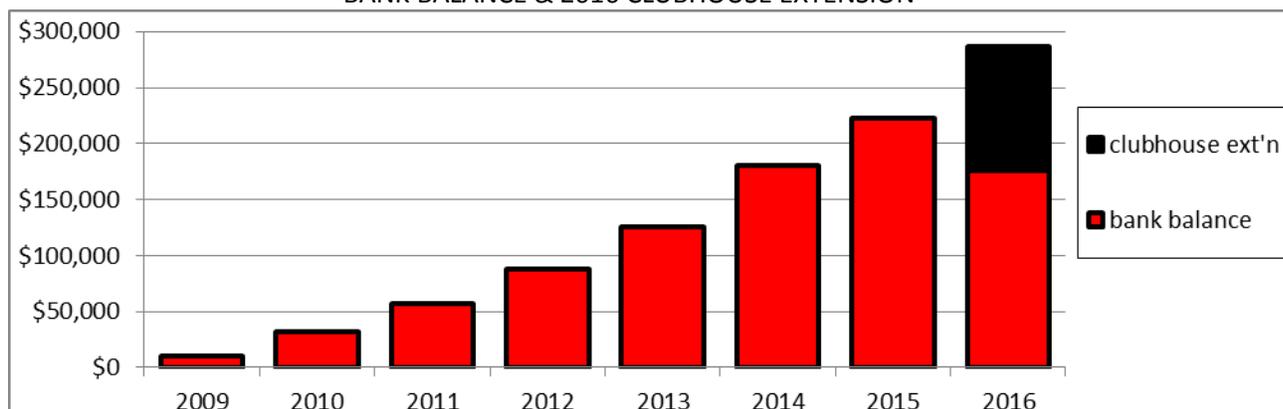

Your Registrar,
Andy Neudegg

TREASURER'S REPORT

Our finances are still in a very healthy state, and as can be seen below, the new clubhouse extension has been comfortably managed, leaving us with \$176,000 as we move into the new year.

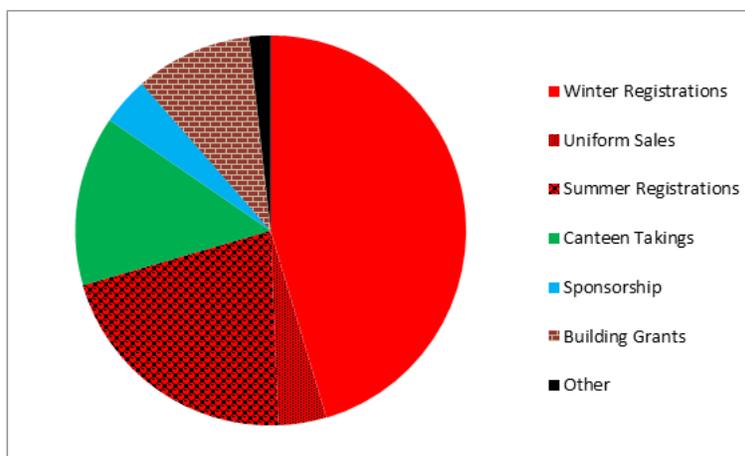

BANK BALANCE & 2016 CLUBHOUSE EXTENSION

This year I offer huge thanks to our new assistant treasurer Kim Doyle, who has been hands-on to assist with all money matters, and also to our Canteen Supervisor Harry Symes and his very able assistant Jackie - their efforts have also been invaluable.

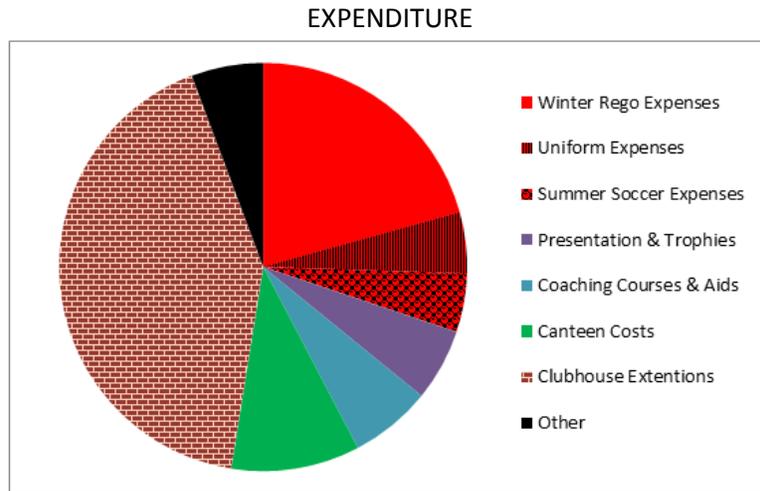

We have somewhat streamlined our relationship with our suppliers, with all correspondences/payments now on-line, paid monthly, and cheques being a thing of the past. The growing bank balance shown above is also working hard for us, with \$4,500 interest earned from term deposits since July last year.

INCOME

CARINGBAH REDBACKS FOOTBALL CLUB INC

We are grateful to receive the building grants from Dep't of Family & Community Services and Dep't of Sport & Rec.

**AUDITOR'S REPORT TO THE MEMBERS OF THE
CARINGBAH REDBACKS FOOTBALL CLUB INC**

SCOPE

We have audited the attached special purpose financial report of the CARINGBAH REDBACKS FOOTBALL Inc for the year ended 30 September 2015.

The elected committee of the Association is responsible for the preparation and presentations of the financial report and the information contained therein and have determined that the basis of accounting is appropriate to the needs of the members.

The audit was conducted in accordance with the code of conduct relating to independence as stated in APES 110 - Code of Ethics for Professional Accounts. No independence issues were encountered in conducting this audit.

We have conducted an independent audit of the financial report in order to express an opinion to the members of Association on its preparation and presentation. No opinion is expressed as to whether the basis of accounting used is appropriate to the needs of the members.

The only accounting standards regarded by the committee as being applicable to the preparation and presentation of the accounts are detailed in Note 1 to the financial statements.

The financial report has been prepared for distribution to members for the purpose of fulfilling the committee's accountability requirements under the Association's constitution. We disclaim any assumption of responsibility

Liability limited by a scheme approved under Professional Standards Legislation

for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

Our audit has been conducted in accordance with Australian Auditing Standards. Our procedures include examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report and the evaluation of significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial report is presented fairly in accordance with the basis of accounting described in note 1 to the financial statements.

The audit opinion expressed in this report has been formed on the above basis.

QUALIFICATION

There are no qualifications to the audit opinion.

AUDIT OPINION

I, Anthony Carmody, of 28 Burwood Road, Burwood, hereby certify that I have conducted an audit of the books and records of the CARINGBAH REDBACKS FOOTBALL CLUB Inc for the period 1 October 2014 – 30 September 2015.

The attached Profit and Loss Statement and Balance Sheet ('the accounts') represent a true and fair view of the years trading by the Incorporation and the financial position as at 30 September 2015.

Anthony Carmody
Anthony Carmody & Assoc

TECHNICAL DIRECTOR'S REPORT

Well another fantastic year for the mighty Redbacks. Our competition teams excelled once again in 2016!! I would like to take this opportunity to congratulate all of our teams that made it through to the finals this year.

This year saw 5 of our teams go through as Grand Finalists, with 3 of our teams winning their Grand finals. A great effort by all involved as you have done yourselves and the club very proud. A big congratulations goes out to our Grand Final winners this year; 12D's, AL16's and 21B's !!

12D	Grand Final Winner
AL16	Grand Final Winner
21B	Grand Final Winner
O30WB	Grand Finalist
45C	Grand Finalist

Congratulations to all the players, coaches, managers, supporters, family and friends as we hope that this success continues once again in 2017.

In 2007, the Redbacks made a decision to utilise the services of Bruce Tilt and his International Football Group (IFG) to help run our MiniRoos program. Thanks to Bruce's specialised training program our players have continued to improve their skills, which are reflected in our achievements by our younger teams.

As Technical Director of the club, while attending training nights, I was keen to get feedback from coaches, managers and parents on anything they had on their minds in order to help kids in their training. As I made my way around and spoke to the coaches, managers and parents around, it was clear to me as to what the majority were asking for and that was specific training for our Goal Keepers. So with this feedback, I requested to the committee we put on additional training for a couple of weeks for all Redback Goal Keepers.

With the services of Bruce Tilt and his team, this proved to be a success on each of the nights it was held with the Redback goal keepers keen to brush up on their skills. It was great to see all our aspiring goal keepers in full flight learning their new moves and building up their confidence. We will be looking at running this again for next season in 2017.

Our Friday night training this season went smoothly except for a couple of interruptions from wet weather. However, on those dry nights it was magnificent to see all our young kids and their coaches and managers enjoying the training sessions. A big thank you to all the mums and dads for their help

CARINGBAH REDBACKS FOOTBALL CLUB INC

during the season for getting the boys and girls to training on those cold Friday nights each and every week and also getting them ready on game day. A great team effort by all this season.

This season we also had the School Holiday Training Camp in the July school holidays at the Redbacks home ground. It turned out to be a great concept with lots of the kids turning up eager and willing to learn additional skills to helping them build confidence in their ability on the field. We will look into running the school training camp again in 2017.

As you are all aware, grading became more and more difficult for everybody – the players, parents and the Redbacks. The decision by the Redbacks in 2011 to use the services of Bruce Tilt and his team to grade our players has alleviated lots of work and pressure on the Grading Committee. Once again we will continue to use this concept in 2017.

The Caringbah Redbacks club wishes to thank Bruce Tilt and his team for all his time and efforts in looking after our Club and helping the kids while still making it a fun time for all. Well done guys !!

In closing, I would like to say a big thank you to all the Redbacks Committee members this year for their continued support and assistance in the running of the Caringbah Redbacks club. Also, a big thanks to all the mums, dads, players, coaches and managers for their assistance and helping the club when needed.

See you all again in the Red & Black in 2017.

GO THE MIGHTY REDBACKS!!

Thank you,

SANTO ORSINA

W6A/1

2016 was an exciting first season for our W6A1 little ladies. The first half of the season we were undefeated (with a few huge wins) and the second half saw us have a few losses. Round 4 also saw us lose Olivia for 8 weeks due to a broken arm.

During this time, the girls showed their true spirit and with the help of the W6B girls, we managed to field a team each week.

Sienna and Alana were the strongest in all areas on the field (growing up with multiple older brothers will do this to a little lady), with Olivia taking to the field when her arm healed, in fine form, scoring goals and falling into goalie position when needed.

Ava's twinkle toes came in very handy on the field, where she was very agile and quick around the defending players.

Autumn and Eva, our two gorgeous little 4 year olds, had lots of fun out there, learnt very important skills and will be a force to be reckoned with next season.

A massive thank you to Reece (and his wife Dee on occasions) for being our coach extraordinaire, and again, thanks to the parents and grandparents who shipped our girls to their games and cheered them on each week.

Jodi Backhouse

W6B

The W6B team had a fantastic first year, having lots of laughter and fun throughout the season. The team won 12 matches had 2 draws, 2 losses and 2 wash out games. Their biggest victory was in Round 17, 22 goals to 1.

It was fantastic to watch the girls' confidence and skills grow each week, they even kept score on the field counting their goals on their fingers and congratulating each other after every goal scored. Bianca, Holly and Tilly were the highest goal scorers, with Olivia, Koda and Isla not far behind.

All the girls played together really well, building great little friendships along the way. Each week they put their skills from training to good use. The girls benefitted significantly from the great weekly coaching skills of Grant. He had them excited about playing soccer from their first training session. Thanks Grant for your dedication and commitment each week. Also a special mention to the parents and grandparents who turned up each week to cheer on our team, you all helped make this season fun and enjoyable. All of the girls had a blast, and we hope to see them all back for another great season next year.

6E/2

The U6E2 team was a fantastic team to be involved with. All of the boys had great spirit. Craig and I were stoked with how their skills improved and how they became friends during the season.

These great boys took the field each week with lots of energy and effort ... What more could we ask for? Really good job during the 2016 season! Go Redbacks!

Here are our wet and muddy warriors.

7B

The 7Bs wow what a team, they had a wonderful year, full of great wins, laughs, fun and great enthusiasm.

The players: Lex, Tom, Ashton, Tai, and Cooper. What a fantastic group of boys and such developing talents. It has been so wonderful to see their individual personalities and unique skills emerge throughout the season as they become more comfortable within the team and with their own soccer

skills. Each one has grown and was an integral part of the team, all working together showing great sportsmanship and enthusiasm. Lex had loads of fancy moves, Cooper was lightning fast, Tai was bold in his tackles, Ashton has a great strong left kick and Tom has excellent ball skills and a real team player. You could see their confidence and love of the sport grow each time they were on the field and every time they had to take a turn on the side line, they would immediately ask when they could get back out there. It was always so awesome to see the total joy in their faces and the arms in the air pumps and high fives from their team mates when a goal was scored. The boys had an awesome year and I hope they are all really proud of themselves for what they achieved this year.

The coach: Coach Matt had all the plays and ball skills worked out for our coaching sessions and provided the boys with lots of encouragement and passion for the game. Coach Matt really turned around their game communication, play placement and while under his wing he forged ahead teaching them many great new skills. We thank Matt for all his hard work and for taking on the role of coach and doing it so well.

The parents: what a fantastic bunch! Always at training and games on time, helping fill in when coach or manager were away, lending support and encouragement to all the boys at every turn. The lovely families of our team really made this a fun, supportive and talented little team to be a part of. I wish the boys all a bright and fun soccer future – hopefully we can play together again.

7C

The boys came together this year as team for the first time with great results. We had a number of stunning victories and gracious defeats while having a great time along the way.

Daniel had a great year storming up and down the park with a number of brilliant runs. When Daniel puts his head down watch out, he is almost unstoppable. Riley was best known for getting in and amongst it in the middle of the park. He was always ready to take the ball from the opposition. Gabriel had the mid field covered. He was always in the thick of things supporting his team mates and pushing the ball up towards the goals. Ben was our star defender, when the opposition were on the counter attack you could always rely on Ben to be running back down the field to defend the goals. Nixon wins the award for the biggest kick of the year, he scored a couple of stunning goals. Finally Oliver was always in the middle of all the action. No matter what the task Oliver was up for it covering all positions on the field and supporting his team mates.

To our coach Carl, you did a tremendous job this year guiding the boys around the park. You have developed their skills while creating an environment where a great time could be had by all. We thank you for taking on the role and all the effort you put in over the year.

Finally to all the parents, thank you for all your help throughout the year. The team was made up of a great set of young boys that are a true testament to their fantastic parents. Looking forward to spending Saturday mornings with you all again next year.

Chris Meissner

W7A

Another fabulous year for the W7A team. Friendships that were formed last year, held strong into this season with the girls sharing many laughs and having much fun. The girls continued to improve their skills and impress us all as the season rolled on resulting in them being undefeated - and I'm happy to report, that each of the girls managed to get a goal this year which was very exciting...

The Players....

Keira holds the title for top goal scorer, managing to score multiple goals in each and every game. Not only that, her speed allowed her to chase down any opposition and stop them from scoring as well. She was closely followed by Tahli, whose speed and ball control are also exceptional. Her passion is written all over her face, especially when she finds the back of that net! Next is Zulai, who if she continues to improve the way she has from last season to this one, she will be one to watch. She has evolved from a being an almost timid player, to this year, getting in and tackling head on with the best of them. Speaking of timid – you would expect little Ivy to be just that, but she is another one who has really come out this year and showed off her fast improving skill with the ball. She may be small – but she's not afraid to place herself where the action is. Molly continued to put herself into a fullback position this year – and it's absolutely where she shines most! She has a massive boot on her and doesn't let many balls get past her. She continued to come out on top as she strived to protect our goal. Finally Izzy continued to improve her ball skills this year and, along with the rest of the team, really took on-board the teachings of Coach Arthur, in learning to assess what position would best place her to score.

The Coach....

Our ever popular coach Arthur – the girls absolutely adore him and are so eager to please him. He really manages to get through to the girls – while making them giggle uncontrollably at the same time. A great example of this is when one player took a heavy spill in the mud – as she tried to work out if she would cry or not, Arthur was quick to call “Okay Muddy Bum – you're next to run up...” to which all girls had a good giggle together and play went on. It would have to be a tough gig to be in charge of six cheeky, chattering 6 & 7 year olds, and we thank Arthur for taking on the role and doing it so well.

The Parents....

As talented as each of the girls are – I have really enjoyed being a part of this team, for the simple joy of watching the girls develop such great sportsmanship. They really do encourage and support each other and are really learning the importance and value of teamwork. A lot of this comes from the fabulous parents who have all stepped up when needed whether it be filling in as coach or manager, being at

CARINGBAH REDBACKS FOOTBALL CLUB INC

games and training on time, readily volunteering their time when on duty, and just being a great bunch of humans in general. It makes the role of manager soo much easier!! Here's hoping we continue to play together in the years to come.

W7B

The 2016 Soccer Season brought a little team of buddies together and named them the W07B Team.

Allegra, Avalon, Sienna, Summer and Tiana had their first year together as a soccer team ... and what a great team they were. Each of them brought their own signature style to the team with Avalon having the crowd biting their nails as she stopped goals being scored, Summer being one of our major point scorers, Sienna and Allegra with their fancy footwork and Tiana, well she brought some interesting fashion to the field! Each and every game had heart-stopping moments and they were such a pleasure to watch!

Winning the majority of their matches, they consistently put in 100% enthusiasm, passion and team work and showed off their new skills that they practised each week in their training sessions.

There were many awesome goals scored, some within seconds of the game starting and every member of the team scored at least 1 goal throughout the season. They even managed to score some goals for the other teams ... what champs!

Our W07B Team also enjoyed representing the Caringbah Redbacks at the Under 7's Gala Day and also at Rockdale. They are very happy with their achievements and they wore their medals proudly.

With every game, win or lose they all showed great sportsmanship and their coaches and families were very proud of them. Their siblings also showed up and supported them at every match and most of all they all had FUN!

W7C/1

What a great year we have had playing soccer for Redbacks – 7WC1.

With only four members of the team it's been an exceptional effort by Ruby Harrow, Grace Marvin, Mia Martin and Ruby Street to only lose 2 games all year with no subs and often playing short with only 3 players.

Girls you should be very proud of yourself, you played like a true team all year. Mastering your passes to each other, with some excellent goals that showed true team spirit, often scoring goals as a team and not an individual.

As coach and Manager we are very proud of you all, thank you to all the parents for your help and support this season.

Dave and Cherie Martin

from left to right – Ruby Harrow, Grace Marvin, Mia Martin and Ruby Street.

W7C/2

The W7C2's had a really fun season this year. Kalani, Tiana, Sienna, Bonnie, Amalie and Lani all continued to learn new soccer skills - stopping the ball, passing and kicking some goals. There was great teamwork, lots of laughs, handstands and back bends. Coach Steve did an amazing job keeping the girls focused on the game... it was a challenge at times. Great work girls. Thanks for a fun filled season.

Catriona Burgess

W7C/3

The W7C3's had a great season! All 5 of the girls have not played soccer before, but were very keen to learn. Every week they became more and more confident and put into practice the skills taught to them by Coach Glen.

Madi B has all the speed and made sure that it was put to use in scoring some great goals. Taylor is our natural defence player and did a great job winning the ball back from our opponents. Maddie L picked up all the skills taught in training and put them to use. She is a great allrounder on the field. Cara is full of determination and would keep on fighting for the ball and persist to score a goal. Jade is our other great allrounder. Quick on the ball and very determined.

The girls had so much fun and are looking forward to next season! Thank you to all the parents and family members that made sure the girls got to training and matches and for the great support.

8A

Well what can I say but another exciting and fun season of soccer put on by the 8A's. There were some real nail bitters, as well as actioned packed games throughout the season with plenty of great wins by the boys.

CARINGBAH REDBACKS FOOTBALL CLUB INC

The 8A's have become a close-knit team over the last couple of seasons. This year saw the return of Luke O, Xandar, Josh and Orlando and also the injection of 4 new players into the side in Oli, Brae, Sebastien and Luke B, which made for a strong and exciting team. Just like last season the boys enjoyed each other's company and supported each other on and off the field.

As the season went on the boys once again gelled and became stronger and stronger as a team. Most of them found on field positions where their skills were strongest and others showed all round capability. We were able to produce quality goals and defence and also great ball movement on the field which gave the boys a huge load of confidence that was consistently displayed throughout season.

Luke O and Xandar were our star goal scoring strikers throughout the season making the most of every opportunity and punishing the opposition defence with some great ball skills, agility and positional play. These two guys played their hearts out every game for the team and it showed on the field by developing great combination plays with each other.

Oli, Josh and Brae were also brilliant in the midfield and at the back providing great service to our attackers and displaying awesome defence. These three boys worked hard in the middle of the pitch and also scored some great goals while displaying a never give up attitude.

Sebastien, Orlando and Luke B, these boys laid the platform for our team and were rock solid at the back, they constantly gave the opposition strikers headaches by not allowing cheap goals to be scored against us. They say that defence wins games, I can tell you that with these three boys in our team, they certainly proved that.

As the season went on, the boys knew that they were a force to be reckoned with and demanded respect from their opponents. This was made clear by the amount of games we had won and the way we had won them with our "never give up attitude" there was only room for a few losses which could of easily gone either way, but we took them on the chin and carried on with season.

And now for an individual snapshot of our enthusiastic & talented 8A Boys -

JOSH CHERNICH: *Big and strong, he worked hard and excelled and improved all year. He could always be counted on to stop a play down the field with his top defence, he also displayed great skill on the ball and keeping the opposition always guessing. He contributed to many wins for the team with his hard work on the field. Great kid and team player.*

ORLANDO ALAM: *Another one of the big boys in the team, a real team player who was excellent in defence. We could always rely on him to shut down the opposition's play. Great defender who often saved the day for the team. Displaying some great skill on the ball. Super team player and a great kid.*

OLIVER MAY: *Tough midfielder who at many times throughout the year had the Midas touch. Other teams sometimes could not handle his bulldog like power, causing all sorts of problems for the opposition team. Fabulous player who dug in every game and made a big difference to our team also showing great skill on the ball. A great kid and team player.*

LUKE ORSINA: *What a fantastic player with lots of talent across the field, exceptional pace and high work rate. Luke was our striker on the right side of the field and also one of our main goal scorers of the team. He was always in the middle of it all, frustrating opposing teams with his ball skills and speed with the ball. Wore his heart on his sleeve. A great future in the striker position and a great team player.*

CARINGBAH REDBACKS FOOTBALL CLUB INC

XANDAR HUBBARD: *Another fantastic player with lots of talent. Xandar was our striker on the left side of the field. He too was always in the middle of the action, unsettling the opposing teams with his ball skills and movement as well as speed work and high work rate with a great left boot. Also a great future in the striker position and a super team player.*

SEBASTIEN IMPEY: *Absolutely great at the back who was a consistent performer and developed his game throughout the year to a high level. He was able to frustrate the opposition attackers in the competition with his defence. He improved even more as the season progressed and always played a reliable part to our defensive line at back and he also displayed great skill on the ball. Great kid and super team player.*

BRAE PHILLIPS: *Strong in the middle, he worked hard and improved all year. He could always be counted on to stop a play down the field with his top defence, he also displayed great skill on the ball and keeping the opposition always guessing. He contributed to many wins for the team with his hard work on the field. Great kid and team player.*

LUKE BACKHOUSE: *Another one of the big, strong boys in the team, a real team player who was excellent in defence and created problems for the opposition team. We could always rely on him to close down the opposition's play. Great defender who often saved the day for the team on many occasions, he also showed some great skill on the ball. Super team player and a great kid.*

Thank you again to Coach Glenn who along with myself were both very dedicated and enthusiastic towards coaching the boys week in and week out and getting them ready on game day. It's not just about ball skills and defensive work but also about the importance of team spirit, team work as well as having some fun along the way at the same time. These boys displayed great sportsmanship throughout the season which has earned them a lot of respect for the way they carried themselves each and every week. Well done boys!!

A big thank you also to all the mums and dads, families and friends of this football team of stars that have turned up rain, hail or shine to watch and support the boys every week at training and on game day. In return, the boys always turned up full of enthusiasm and excitement and wanted to go out and put on a great display of quality football while having fun playing soccer with their mates.

Glenn and I feel so proud of the boys as they always gave their all each and every game, they showed great sportsmanship, spirit and just kept wanting to play and have fun while sharing a wonderful experience with everyone who watched and supported them. We all hope our boys can stay together as a team next season so we can continue on this great journey.

Congratulations boys on another great season! You did us and the redbacks club all proud. You are all champions.

We look forward to another great year in 2017.

GO THE MIGHTY REDBACKS !!

Santo Orsina

8E

The under 8E's had a very good season. It was wonderful to see a group of individual boy's chasing the ball like a magnet. They developed into a team that communicated, passed and supported each other in attack and defence. The boys also showed great compassion and sportsmanship when matched against the Titans in our two games with them.

Will Burgess always tried different moves when kicking off and developed good communication skill during the game.

Ky Buxton, our top scorer, worked well in the front pilot position and became quite the goal poacher.

Jack Layt demonstrated how he had developed his passing skills and had made some good saves when goal keeping.

Lachlan Markovits showed good skill and pace throughout the season. His runs and shots set up many of our scoring chances.

Kevin Mathew's enthusiasm rubbed off on everyone in the team. He started off tentatively, but by the end of the season he was quite robust in defence.

Heath Murphy's movements going forward and defending was consistent. When goal keeping, he made some nice saves.

John Mytilinos, when defending or attacking, would always try and involve himself. His forward runs also set up some scoring chances.

Joshua Pierce developed good passing skills and demonstrated strong defending throughout the season. He was methodical in his approach to the game.

Assad Qureshi came late into the team, due to a broken arm. He quickly settled in and proved to be a mighty defender.

W9B

This team embodies what team spirit and participation is all about. The W9B's demonstrated commitment to both training and games every week of the season. There was fun and laughter and a genuine willingness to try new skills. They shared the goal keeping duties and worked extraordinarily well together as a team. These girls learnt that working as a team means appreciating that people have different abilities and that respecting and appreciating your team mates is important. Just goes to show it is not all about winning and that working as a team helps develop a range of skills and abilities.

W10A

The first half of season 2016 was a shock for the usually red hot 10WAs. We had a few losses on the trot and for a team full of talent and determination that was hard to take for the girls, even harder for the coach!

But true to form as the season progressed and as a team we realised the benefits of passing the ball and got accustomed to playing on the bigger pitch we started playing to our strengths the wins started to come.

All the girls participated with great enthusiasm and **all** had their moments of brilliance, I'll list a few that stand out.

Chloe N: AKA Neudeggle shone out every week a superstar in the making

Hayley B, T J, Kiera: Our new found defence kept us in many games

Chloe B: B our target up front, lots of running and finding space

Kelis: " the canon" up front or down back look out!!

Charlie, Holly, Tahlia, Tayte: The Midfield all worked super hard in defence and with ball

Ella, Liv: the keepers/custodians were freakish in some of their saves, great team players.

A great year was had by all and I hope we all back up again next year!

Tim Blanch
Coach

11A

2016 was a tough but enjoyable season. We had a big challenge this season being put up to A Grade for the first time. A lot of the results may not have gone our way but the effort and commitment from all the boys was enormous. We were up against teams that have been together as A grade teams for a number of years. We had a mixture of new talent and a core group of boys who have played together the past couple of seasons.

All the boys should be proud of themselves, we had a lot of close games that could have gone our way. I think we will have learnt a lot from this season moving on to our first season in competitive soccer in the U12 next year.

The Team:

Jackson Rios: Jackson had an amazing season in goal and showed just why he is in the Sutherland Sharks Development Squad. If not for Jackson's brilliant goal keeping some of results could have been disastrous. Well done Jackson.

Dre, Henry, Jack and Brock: these 4 boys made up our back line. They were kept busy all season and really held their own against some pretty good attacking teams. Dre and Henry gave their all every game and it was rewarding to see the improvement in their play as the season went on. Jack and Brock made a transition from being forwards to full backs, a big change that they made for the benefit of the team. Brock is very skilful and has a good passing game. Jack has great enthusiasm for everything he does, he gives 120% every game and put his body on the line in defence. Well done to all 4 boys for a great effort during a difficult season.

Aidan, Jasper, Jackson Fox: these boys were the midfield of the team. Aidan has great skills and awareness that give him a good passing game, Aidan can be a bit quiet at times and needs to become more involved in the game. You need to show us all the skills we know you have! Jasper, this boy has speed to burn!! Jasper terrorised some teams, taking them on down the right wing and getting in some

CARINGBAH REDBACKS FOOTBALL CLUB INC

good crosses, Jasper scored a couple of quality goals this year. First year in the team and proved a valuable player with a never give up attitude. Jackson held the team together in the centre of the field, Jackson combines skill with aggressive defence and a fantastic passing game that set up many of our goals, he formed a great combination with the other midfield players and Luca/Billy up front. Well done to the midfield you never gave up and the improvement in each of you during the season was good to watch.

Billy and Luca: our strikers. Well done to both of you this season, scoring goals was not easy this year but you managed to worry many teams with your attacking play and aggressive efforts to win the ball back from the opposition fullbacks. Billy has good skills and the ability to work well with his team mates, I'm sure Billy would have liked a few more goals this season but they were hard to come by and you made the most of your chances. Luca, I would love to have Luca's energy, he does not stop running the whole game and harasses the other team when they have the ball. Very skilful player who definitely belonged in A grade.

The team has a great group of parents who support the boys, thank you all.

This was enjoyable season where we learnt that we need to concentrate for the full game. A lot of results didn't go our way due to a 5 min lapse in concentration during which the other team took advantage and put in a goal or two.

These are a great group of boys to coach, it is really satisfying to see the improvement during the season. I hope you all come back next season and continue to improve.

See you next season
Howard & Tedy

W11B

The girls of W11B are an awesome bunch of girls, who displayed such fearless play which got them through an enjoyable season. This season, we had a few new players who had never played before join our team. All the girls in our great team showed so much improvement individually and also as a team. Our season this year was a mix of wins and losses, but nevertheless the girls always held their heads up high knowing that they always tried their very best.

Our team consisted of:

Daniella, Lily & Georgia – constantly on the attack, charging up the middle and getting around their opponents to score some great goals. Strong and outstanding in defence also.

Jayla & Cloe – great in attack, always charging up front combined with their speed keeping the opposition constantly on the defence. Always played tough.

Isabella, Katelyn & Chloe – so courageous and always put their bodies on the line to take back the ball off the opposing team. Always showed such outstanding effort as well as fantastic supportive play

Sarah, Hannah & Michelle – who as always were an awesome defensive combination at the back and cleared many strong kicks away up field.

Congratulations to you girls, your massive effort throughout the year was appreciated and we are so proud of you all.

We are looking forward to a great year next year!

Also a massive thanks to our coaches, Tyler & Phil for their time and support in coaching the girls during the season!

Carol Orsina

W12B

This was the first year for our girls playing on a full pitch and also the first year of competition. After a sketchy start in the W12A comp, we were re-graded to the W12B. This was a great move as we then managed to go through the whole season only losing one game to Loftus and St Pats. We ended up finishing in 4th spot and made it through to the finals for the first time – a great achievement.

We then had a massive game in the semi-final against St Pats at Kareela and managed to beat them 1-0 on a Thursday night midweek game after losing 4-0 to them the previous week ! The girls all played their little hearts out and I was so proud of each and every one of them!

We had to back up on the Saturday with the preliminary final against Gymea and unfortunately luck wasn't on our side and we went down 2-1 after missing a few good chances in the first half. Gymea went on to win the Grand Final so I think we can all hold our heads up high with our achievements this year.

A massive well done to all the girls and a big thanks to all the parents for their great support again this year.

14B

What a great year it's been!

Minor premiers and U13C title holders last year, we knew that 2016 was going to be a tough season moving up to the 14B. Undefeated after round 5 and winning against former A graders the boys were playing like the team that could go all the way.

We had a couple of old players leave and picked a couple of new kids that just blended into the team as if they have been playing with them for years.

I remember after we played one of our games, the coach of the opposing team came up to me and commented on what a great team of boys we had and we will be one of the teams to beat. We had now cemented ourselves as one of the top 3 teams, something that the other clubs thought was wrong.

This was something that we heard on a few occasions throughout the season that we should not be in the 14B, which to the credit of the boys they held their heads up and proved them all wrong. Coming third and bowing out to the point system the boys left everything on that pitch week in week out. Something as a coach is all you ever ask for.

I can honestly say that it's been one of the most pleasurable years of coaching I've had and that I'm really proud of how the boys played and competed each week, especially against some teams. Each player contributed to the team and they all played well together which was pleasing to see. You boys should all be proud of yourselves and I would like to personally thank you for an enjoyable year.

I would also like to thank the mums and dads who supported not only their child but the team each week by cheering and encouraging them from the sideline.

And a massive thank you goes out to Belinda Rowney for being a great manager who continually kept the team up to date with upcoming games, the oranges roster, time keeping etc.

Thanks to all of the kids for another fun season of soccer this year. You all regularly turned up for training and listened....most of the time!!

On a final note, thanks again to the players, and parents of the team for making this a great year and I look forward to catching up with everyone on Presentation Day.

Coach

W16C

One of the best footballers in the world said:

"The secret is to believe in your dreams; in your potential that you can be like your star, keep searching, keep believing and don't lose faith in yourself."

How very true. Another successful season for the Redback W16s as we played in our third consecutive Final.

But unfortunately the big one eluded us again. If we only believed in ourselves in the first half of the Final, then the result could have been so different!

Success in life is about hard work and with football, it starts with your attitude and then importantly at training.

Congratulations to Lucy, Julia and Jess for their consistency throughout the season but special mention to Eabha who took her game to the next level.

Also, a big thank you to Frank, my reliable assistant, and no team can function without great

CARINGBAH REDBACKS FOOTBALL CLUB INC

managerial skills - so thank you to Esther, Mick and Karen.

And our supporters each week. Your cheering noise and positive attitude makes a very important difference.

Hope to see all the girls back next year and hopefully that elusive gold medal.

And that player was Neymar!

18A

A very tough year in A grade and a reminder for all involved how tough A grade can be. This year was complicated for our boys with injury, absence, Year 12 studies and commitments and a number of boys turning 18. We even had a bucks party thrown in to further deplete our resources. Many boys were asked to play in different positions, for extended periods, through injury, cramp and the like. Their commitment to each other certainly showed. As we look back, the team that won A grade was unable to beat us, we were certainly competitive against the top half of the table sides, but struggled against others. We had many draws and narrow losses and certainly many of us will wonder what could have been. It was a year of many learnings which will certainly lay the foundation for the years to come. Ian and I would like to thank every player for their effort through this tough year.

GT aka Sir Alex!

AL4

A season of memories and questions.

12 new players added to the core group made it a very interesting season. Well done to all the boys on a great achievement of making it to the final. Looking forward to improving on our results in the 2017 season.

Report

I don't ever remember a competition being so close. Going into the final couple of weeks anyone of five teams following Engadine Eagles could have made the semis. Redbacks were in the mix but had to win their final match convincingly and rely on Kirrawee to score less. In the end Redbacks won four to nil and made it through. Unfortunately a nil all draw after extra time in the semis against Menai was not enough to get through to the finals. It was a case of missed opportunities throughout the season, a draw here, a narrow defeat there. A higher finish in the table would have been the difference.

It was a real pleasure and privilege to coach and watch this team. The season was consistent for one thing in particular and that was heaps of determination. They are tough, uncompromising and talented with heaps of ability. Defensively, arguably the best in the competition. Offensively, 30 goals probably didn't do them justice compared to the amount of possession and opportunities on offer. It's worth remembering though that this team was an amalgamation of different teams and individuals who bonded as the season progressed. A lot of teams this season were established and have played together for a long time. Redbacks matched them almost all of the time.

What was also pleasing this season to see goals from strikers and midfielders alike with the odd goal from a defender. A definite strength is not knowing who was going to score next, it made them unpredictable. That said we do have a golden boot and that was Emily with nine goals. Lauren B was next with five and two players on four goals each; Corinne and Meg. Special mention goes to Lara for scoring a brilliant hat-trick against Bosco. Of course there has to be a goal of the season and there are

CARINGBAH REDBACKS FOOTBALL CLUB INC

some real contenders out there. Emily scored some crackers, Corinne scored a couple of vital goals with her head from corners and Meg had a memorable run through defence to score a great goal. Most memorable for me though was Lauren S' long range effort from over 25 meters, a powerful left foot drive from the left of midfield leaving the goalkeeper grasping at fresh air. A mention for Tiarne's Mum Jody, who plays for the Women's O30 team, made an appearance when the team was short, putting in a solid effort considering she had just come from her own team's match, so well done to her.

It was with great sadness to the Spink family and the greater Redback's community that Steve, Lauren's Dad passed away during the early part of the season. I didn't know Steve but I do know that his reputation preceded him amongst the Shire's football community, and I am all the poorer for not knowing him. In memory of Steve, Dan the Manager of Eagles and a former manager at Redbacks, introduced the Steve Spink memorial trophy. The trophy is to be played each time Eagles and Redbacks meet. Given Eagles dominance this season, the first encounter was a formidable prospect. The match was played in great spirit at ANZAC Oval with Redbacks going down narrowly two to one with Jo Crouch scoring our goal. The Trophy went to Eagles and it was lovely to see Liz, Lauren's Mum there to present the trophy to the Eagle's skipper.

The high point of the season for Redbacks was the return match against an unbeaten Eagles side who were running away with the competition. To cut a long story short, Redbacks' keeper was sent off for a rant during the second half. So down to ten players with nothing to lose we beat the only undefeated team in the competition two to one (having been two to nil up). No other team achieved that in the entire season and it was a heartwarming occasion when this time, Liz Spink was able to award her daughter Lauren the Steve Spink memorial trophy. I think someone would have been very proud. Ultimately football is about people. That should never be forgotten.

Redbacks defence was steadfast throughout the season with Rachael T pulling the strings as sweeper and skipper. Her beautifully timed, crunching tackles often had players and spectators wincing. With Jess Lamont as stopper showing great determination, Lauren S on the left, Rachael P and Erin on the right, they looked pretty solid and had some fierce battles. The full backs certainly worked for their dinner, often up against younger, faster opposition. Tiarne in goal barely put a foot wrong and was self-assured all season, providing a solid base at the back. When she was called into action good saves were usually the outcome. Erin's occasional stints in goal standing in for Tiarne produced strong performances and a few outstanding saves. At this point it is worth mentioning the season's funniest moment. It relates to a corner Redbacks were defending which resulted in a goal, where rather than catch the ball, goal keeper Tiarne caught Jess's head by mistake. Not a good look!

The midfield were combative, rarely gave any quarter and were great to watch. There were some classic battles with Meg, Lara, Lauren B and Corinne all filling those central midfield berth and making their presence felt. Opposition players generally knew they had been in a game when they trudged off the pitch. Lara's ability to consistently win ball and recycle effectively turning defence into attack was as impressive as it was consistent. Jo's speed and direct play be that on the right flank or as a striker was incisive. Hayley provided relief in midfield or up front with her robust style and ability to win ball. Kristy's utility in any position she was asked to play, defender, midfielder or striker was invaluable. Sarah's ability to make telling crosses the ball from the right provided an effective weapon in the team's arsenal, particularly as she struggled at times with a knee injury. Sarah, Lauren B and Lauren S shared the corner/dead ball taking duties. A number of goals came from these opportunities, most notably a couple of strong headed goals from Corinne.

CARINGBAH REDBACKS FOOTBALL CLUB INC

The goal threat improved as the season went on with Emily and Meg developing a good understanding between them. Appearances up front by Lauren B, Corinne, Hayley, Jo and Kristy provided dynamic versatility that they can take forward into next season. Erin also had a stint up front, which she thoroughly enjoyed, providing an assist for Emily to score a cracking goal.

It was a brilliant season by a group of players who improved as the season went on. They worked hard for one another and formed a close bond both on and off the pitch. Andy and I thoroughly enjoyed what was quite often edge of the seat stuff. I know the fans enjoyed it too. Well done ladies, you were awesome this year. Keep fit, play other forms of the game if you can and prepare yourselves for the 2017 season. You know you can win this competition next time around.

Mark Testi
