## PRESIDENT'S REPORT

Well done Redbacks with another successful season done and dusted. Welcome to all the new members who have joined the club and welcome back to our trusted and loyal players and fan base within our local community. Every year the season seems to fly by and the journey of football at Redbacks includes many experiences which are shared with friends and family, these memories become great stories in years to come and the enjoyment of playing a team sport at Redbacks will live with you forever with memories of great times and friendship.

Redbacks have always been a proud family and community orientated club with an objective of offering a safe and healthy environment for all ages to enjoy friendliness and mateship whilst playing the beautiful game.

The 2015 season saw a 5% increase in registrations from last year and this is a pleasing trend which reflects on the Redbacks model being accepted in the local community of football players young and not so young. Redbacks are one of 26 clubs affiliated with Sutherland Shire Football Association boasting player numbers exceeding 17,800 across all age groups, competing in male and female competitions. Our mix of nursery, junior and senior players at Redbacks is certainly where we need to be as a progressive club moving forward and the club is in a very strong position to continue for another 55 years and beyond.

Redbacks were well represented and competitive in most grades and this achievement is greatly due to the assistance of coaches and managers along with the support from players, parents and friends. A lot of people give their time to this great club and all involved are to be congratulated.

### Teams representing Redbacks in the finals series

### MINOR PREMIERS AND PREMIERS

The continuation of Redbacks coaching commitment for our junior players with Bruce Tilt and IFG was again well supported by players and the improvement in skills of the game makes the game day more enjoyable.

Thanks go to our sponsors for their ongoing support and financial assistance which is greatly appreciated. Also thanks to SSF referees and Saturday coordinators who were again fantastic in frantic conditions.

Finally I congratulate and applaud the Redbacks Committee for their help in making 2015 another cracker! This great group of people from all walks of life unselfishly donate their time for the common purpose of players health and safety and people becoming involved make the mighty Redbacks a great club to be part of.

Yours in sport

## SECRETARY'S REPORT

Well, another successful year completed by the Caringbah Redbacks. Congratulations to all our players, coaches, managers and supporters. Unfortunately due to the weather the competition was shortened somewhat which was advantageous for some and a disadvantage for others, nevertheless you all did the club proud.

With Gary Freeland as our President once again the Club carried on from last year building teams and recruiting new players and with the fantastic help from our Sponsorship Committee, namely Nikki Durant, we welcomed new sponsors also. Congratulations on a job well done Nikki!! Many thanks must also go to the hardworking Committee who made my job so much easier with their help, often at short notice. To the age controllers, Andy Neudegg, Nikki Durant, Dave Chernich, Andrew Lawler, Daniel Palamara, Ruth Pettit-Young and Adrian Henderson you all did a wonderful job communication with your teams throughout the season, and there were plenty of messages and calls made I know due to the weather and field changes. Your efforts are very much appreciated.

Thank you once again to Giulio di Stefano for coordinating the junior referees again this season and organising the setup and layout for our Saturday games. Your efforts are very much appreciated. To the Committee Duty team, thanks again for a job well done each week with the Saturday morning setup and on-time running of the games. Well done.

Thank you also to Theo Dimarchos and Daniel Palamara for their efforts in maintaining our website and Facebook page with up to date information and the weekly emails. A big thanks must also go to our Canteen Controller, Harry Symes for his efforts again this year. I know your coffees and hot chocolates were much appreciated on those cold and windy mornings as were the lolly bags by the kids. Thanks again Harry.

Finally I would like to thank very much Gary Freeland, Andy Neudegg and Steve Tobin for their endless support this year. Being new to this position I needed all the help I could get and I'm pretty sure you must have cringed every time my name came up on your phone or your email! Nevertheless, you were always helpful, even when I asked dumb questions so, once again, thank you very much.

Looking forward to a bigger and better year next year.

Liz Spink  
Secretary

## REGISTRAR'S REPORT

We had another very successful year at the Redbacks. This was my third year as Registrar and the whole registration process was very smooth mainly due to the excellent help I had from other committee members and the My Football Club Registration system.

I would like to say a big thank you to my assistant Registrar - Liz Spink for her help through the busy registration process. Also I would like to recognise the hard work of Andy Crawford and Steve Tobin for their help in tracking the Registration payments. I would also like to thank other committee members that gave up their time to assist with the registration process.

We are now 4 years into using the new on-line system and I am pleased to say that out of our 560 registered players this year, 273 registered and paid on-line. That's almost 50% of all players. This is an increase of 10% on last year.

Our registration numbers were exactly the same as last year at 560. We did lose one of our Senior Women teams but gained another All Age men's team. This explains why we have slightly more men in the club than women compared to last year. I am pleased to say though that nearly two thirds of our club (60%) is made up of Mini-Roos players under the age of 11. In fact 80% of our all our registrations were for Junior members.

I have listed below some further registration statistics that have been downloaded from the on-line system.

<b>Total Registrations 560</b>		
Mini Roos (5-11)	237	42%
Youth (12-18)	149	27%
Senior (19+)	174	31%
Male	374	67%
Female	186	33%
<b>Total Teams 49</b>		
SFF (5-11)	29	60%
Youth (12-18)	10	20%
Senior (19+)	10	20%

I am looking forward to next season already and can confidently say that the on-line registration system is working better each year.

From the 1<sup>st</sup> January 2016 the on-line registration system will be available once again. I would encourage all returning players to register this way and pay via credit card or direct deposit. Only players paying by cash will need to come up to the club AFTER they have completed their registration on line.

Thanks to everyone on the committee and club members for their support and assistance in 2015. Let's hope we can increase our registration numbers for next year and bring all our players back for more fun in 2016.

Your Registrar,  
Andy Neudegg

## TREASURER'S REPORT

As previously noted over several years, the Redback's present cashed up position is largely due to the ongoing Summer 7's competition, which supports the coffers significantly. This enviable financial position arose whilst we also concurrently fully paid off our gorgeous new clubhouse - a great testimony to the hard work of previous committees and members, and such a wonderful asset for the community.

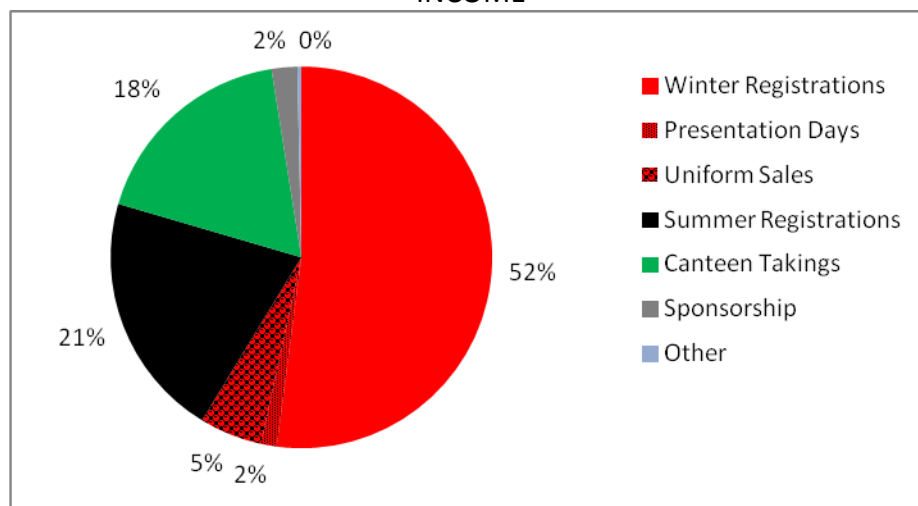

BANK BALANCE

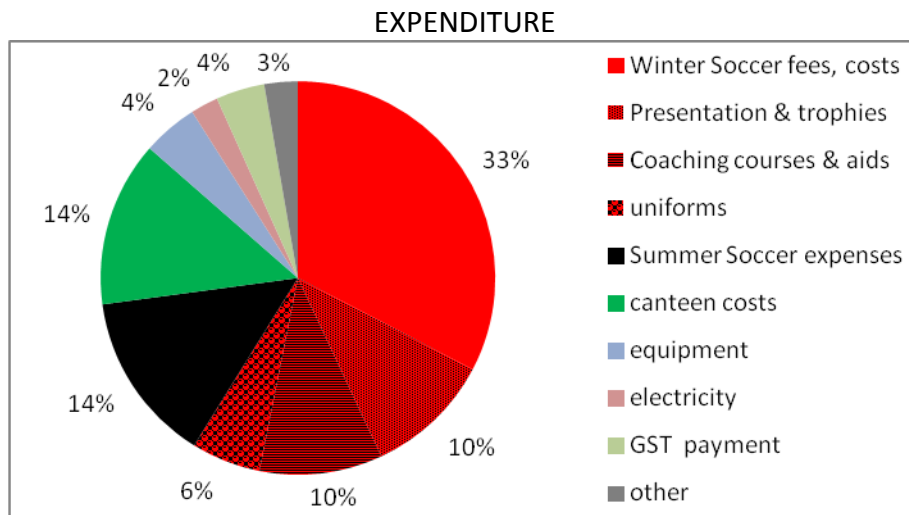

A huge thanks to Steve Tobin for handing over the accounts to this new treasurer in such good condition, so meticulously organised and structured.

Thanks also to assistant treasurer Ruth Pettit-Young for her diligent and practical help with banking and organisation, and to our canteen supervisor Harry Symes for his precise and detailed reporting and close work with suppliers, making my job so much easier.

## TECHNICAL DIRECTOR'S REPORT

What a year for the mighty Redbacks. Our competition teams excelled once again in 2015!! I would like to take this opportunity to congratulate all of our teams that made it through to the finals this year. This year saw 3 teams winning their Grand Finals. You have done yourselves and the club very proud. A huge WELL DONE and congratulations goes out to our Grand Final winners this year; 45D's, 18B's and 13C's !!

13C	Grand Final Winners
16B	Grand Finalist
18B	Grand Final Winners
45D	Grand Final Winners
W14B	Grand Finalist
WSB	Grand Finalist

Congratulations to all the players, coaches, managers, supporters, family and friends as we hope that this success continues once again in 2016.

In 2007, the Redbacks made a decision to utilise the services of Bruce Tilt and his International Football Group (IFG) to run our MiniRoos program. Thanks to Bruce's specialised training program our players have continued to improve their skills, which are reflected in our achievements by our younger teams.

As Technical Director of the club, while attending training nights, I was keen to get feedback from coaches, managers and parents on anything they had on their minds in order to help kids in their training. As I made my way around and spoke to the coaches, managers and parents around, it was clear to me as to what the majority were asking for and that was specific training for our Goal Keepers. So with this feedback, I requested to the committee we put on additional training for a couple of weeks for all Redback Goal keepers.

With the services of Bruce Tilt and his team, this proved to be a success on each of the nights it was held with the Redback goal keepers keen to brush up on their skills. It was great to see all the goal keepers in full flight learning their new moves and building up their confidence. We will be looking at running this again for next season in 2016.

Our SSF Friday night training this season went smoothly except for a couple of interruptions from wet weather. However, on those dry nights it was magnificent to see all our young kids and their coaches and managers enjoying the sessions put on by Bruce Tilt and his team.

This season we also had the School Holiday Training Camp in the July school holidays which was run by Bruce Tilt and his team at the Redbacks home ground. It turned out to be a great concept with lots of the kids turning up eager and willing to learn additional skills to helping them build confidence in their ability on the field. We will look into running the school training camp again in 2016.

As you are all aware, grading became more and more difficult for everybody – the players, parents and the Redbacks. The decision by the Redbacks in 2011 to use the services of Bruce Tilt and his team to grade our players has alleviated lots of work and pressure on the Grading Committee. Once again we will continue to use this concept in 2016.

The Caringbah Redbacks club wishes to sincerely thank Bruce Tilt and his team for all his time and efforts in looking after our Club and helping the kids while still making it a fun time for all. It must be good thing when other Clubs are adopting our training and grading concepts! Well done Bruce!

We also wish to thank Jon Long for his assistance with running the additional training sessions for coaches and managers and for the Grassroots training sessions. These were great with many of the coaches and the kids getting on board and listening to Jon's advice on the field. Again, this is something that we will look to run for the next season in 2016.

In closing, I would like to say a big thank you to all the Redbacks Committee members this year for their support and assistance in the running of the Redbacks coaching program which was great. Also, a big thanks to all the mums and dads for their assistance and helping the club when needed. We now look forward to seeing everyone again in the Red & Black in 2016.

Thank you.

SANTO ORSINA  
TECHNICAL DIRECTOR, CARINGBAH REDBACKS

### W6A/1

The W6A1 had a fantastic year, going through the whole season barely losing a game, and making solid little friendships. The side was a mix of second year six year-olds and first time players - and everyone contributed and mixed together really well.

Keira and Tahlia were the goal-scoring masters! It was a close competition for the 'most goals scored' and as the season progressed, they put their skills from training to good use and scored a few left foot goals also!!

Zulai and Ivy were champions at tackling and trying to block any goals!! Special mention to Ivy for great sportsmanship as she always the first to raise her hand and volunteer to help out other teams – all

with a smile!

Isabel enjoyed celebrating goals as much as scoring them and was always there for a kick in when needed. Molly, by her own choice, was the team fullback, constantly cleaning up after any break-away runs from the opposition and occasionally moving up front to score herself. The girls benefitted significantly from the great coaching skills of Arthur, who clicked with each of the girls instantly. He had them giggling and celebrating goals in style from the get go. All of the girls had a ball, and we hope to see them back for another great year next year.

### W6B

What a fun season! The team started the season strongly with some great results that continued across the season. It was fantastic to see the girls improve as their knowledge of football increased each week. There were lots of goals scored by Sienna, Bonnie, Kalani, Amalie and Lani. Amalie was the queen of defence and strongly backed up by her team members. Thanks to Craig for coaching the team this year and a special mention to Steve for assisting each week. Looking forward to the years to come!

### 7A

Well what can I say but another exciting and fun season of soccer put on by the 7A's. There were some nail biters, full of action games throughout the season with plenty of great wins by the boys.

The 7A's have become a close-knit team over the last couple of seasons. This year, all six members returned – Luke, Xander, Clancy, Ryan, Josh & Orlando. Which made for a fabulous and friendly team. Just like last season the boys enjoyed each other's company and supported each other on and off the field.

As the season went on the boys once again gelled and became stronger and stronger as a team. Some of them found on field positions where their skills were strongest and others showed all round capability. We were able to produce quality goals and defence and also great ball movement on the field which gave the boys a huge load of confidence

that was consistently displayed throughout season.

Luke and Xander were our star goal scorers throughout the season making the most of every opportunity and punishing the opposition defence with some great ball skills, agility and goal scoring. These two guys played their hearts out every game and it showed on the field while developing great combination plays with each other.

Clancy and Josh were also both brilliant in the midfield and at the back providing great services to the other attackers and displaying awesome defence. These two boys worked hard in the middle and always gave it their all with there never give up attitude.

Ryan and Orlando, both champions, these guys were our “wall” at the back, they gave the opposition constant headaches by not allowing cheap goals to be scored. They say that defence wins games, I can tell you that with these two boys, that is possible.

As the season went on, the boys knew that they were a force to be reckoned with and demanded respect from their opponents. This was made clear by the amount of games we had won and the way we had won them with our “never give up attitude” there was only room for a couple of losses which could of easily gone our way, but we took them on the chin and carried on with season.

And now for a individual snapshot of our enthusiastic & talented 7A Boys -

**JOSH CHERNICH:** *Big and strong, he worked hard and excelled and improved all year. He could always be counted on to stop a play down the field with his top defence, he also displayed great skill on the ball and keeping the opposition always guessing. He contributed to many wins for the team with his hard work on the field. Josh bagged 5 goals for the season. Great kid and team player.*

**ORLANDO ALAM:** *Another one of the big boys in the team, a real team player who was excellent in defence. We could always rely on him to knock down the opposition's play. Great defender who often saved the day for the team. Displaying some great skill on the ball he got himself only 1 goal for the season but what a fantastic goal it was ! One to be remembered. Super team player and great kid.*

**CLANCY BUTTON:** *Tough midfielder who at many times throughout the year had the Midas touch. Other teams sometimes could not handle his bulldog like power, causing all sorts of problems for the opposition. Fabulous player who dug in every game and made a big difference to our team also showing great skill on the ball. Clancy scored 10 goals for the season. A great kid and team player.*

**LUKE ORSINA:** *What a fantastic player with lots of talent across the field, exceptional pace and high work rate. Luke was our striker on the right side of the field and also our top goal scorer of the season with 35 goals. He was always in the middle of it all, frustrating opposing teams with his ball skills and speed with the ball. Wore his heart on his sleeve. A great future in the striker position and team player.*

**XANDER HUBBARD:** *Another fantastic player with lots of talent. Xander was our striker on the left side of the field and also scored 20 goal for the season. He too was always in the middle of the action, unsettling the opposing teams with his ball skills and movement as well as speed work and high work rate with a great left boot. Also a great future in the striker position and team player.*

**RYAN TIERNEY:** *Great Full Back who is a consistent performer and developed his game to a high level. He was able to frustrate the opposition attackers in the competition with his defence. He improved even more as the season progressed and was always reliable at full back and he also displayed great skill on the ball. He bagged 3 goals for the season. Great Kid and Super team player.*

Thank you to Coach Glenn who along with myself were both very dedicated and enthusiastic towards coaching the boys week in and week out, and it's not just about ball skills and defensive work but about the importance of team spirit of team work and always having fun at the same time. A lot of work went into this team both on and off the field.

A big thank you also to all the mums and dads, families and friends of this football team of stars that have turned up rain, hail or shine to watch and support the boys every week at training and on game day. In return, the boys always turned up full of enthusiasm and excitement to go and put on a great show and have fun and play soccer with their mates, as boys just want to do.

I feel as parents we feel so proud of the boys as they always gave their all each and every game, they showed good sportsmanship, spirit and just kept wanting to play and have fun while sharing a wonderful experience with everyone who watched and supported them. We all hope our boys can stay together as a team next season so we can continue on this great journey.

Congratulations boys on your continued effort! You did us all proud and you are all champions. We look forward to another great year in 2016.

SANTO ORSINA – 7A Team Manager

### 7D

Great season for the boys this year. It was fantastic seeing the boys attacking the goal and dropping back to defend their own goal. The boys – Mason, Preston, John, Leon, Heath and Will enthusiasm for the game across the year was great to watch. They worked together really well and by the end of the season were stringing a number of passes together and trying out some of the drills they learnt at training. Thanks to Paul for coaching this year and helping to develop the boys into football players. 2016 will be a great year for the boys!

### 7E

2015 was a successful season for the 7E boys. We started in F grade and were very excited to be re-graded to E grade. All of the boys stepped up to the plate and really showed how much they had improved as a team over the off season, only having a couple of losses for the year.

Toby was explosive on the field with lots of speed, lots of goals and lots of fantastic ball skills.

Luke had a fantastic season, scoring many goals and perfecting his goal celebrations, amusing us all.

Soren surprised us all with his massive improvement and confidence on the field.

Knox also surprised us with many confident plays and a sixth sense of just knowing when he was required to guard our goal end and there was smiles all round when he scored his first goal

of the season.

Micah showed us his fancy foot work and also his affection for his team mates. It didn't matter who scored the goal, Micah was the first to celebrate and congratulate the scorer.

Sebastian, a new member to our team this year, started out quietly but his true colours really shone through towards the end of the season with confident goal saving moves and some very strong goal attempts.

I'd like to take this opportunity to thank our coach Bec, for giving up her time to train our little men. Being a coach is a tough gig, and each week she trained our boys with a smile. We would also like to send out a huge thanks to Harrison, who was our fantastic back up coach when Bec was unavailable. Our boys loved their coaching sessions and that definitely showed in the progress they made this year.

Another huge thank you to the boys for their dedication and to the parents for getting the boys to their (sometimes freezing) training sessions each week and ferrying them around the shire to their games. Bring on 2016!!

Jodi Backhouse – Manager

### W7B

With many of the girls experiencing their first taste of football, it was a thrill to watch their progress this year.

Overall results were excellent, with the team tasting victory more often than not.

Coach Klare was backing up from last year and knew how to get a consistent effort out of her troops. One game however, the girls had more than just football on their minds. It was an 8am start at Caringbah and the icy wind from the South made it colder than a mother-in-law's kiss. It was a tough day with players checking every few seconds whether their fingers had not turned blue from frost bite. Nothing that a Harry's hot chocolate from the canteen wouldn't fix after the game.

"Stella" Bella proved a handful for the opposition all year, proving more elusive than a 4 leaf clover.

"Volcanic" Vakina was tough as nails, having suffered a nasty knee injury during one game, she dusted herself off and went back on the field with the aid of crutches.

"Da Bomb" Julie is renowned for her long kicking, more lethal than a funnel web spider. Well done Julie.

No opposition player was too much for "Meticulous" Madison. She cleaned up the scraps at the back like a dog who hadn't eaten for days.

"Energetic" Emma was like perpetual motion, chasing the ball as if it was a bag of gold.

"Hell Bent" Hannah was determined to have fun, she was great for team morale, at times even consoling opposition players as they were being thrashed by the Redbacks.

"Killa" Catherine had more moves than a Michael Jackson film clip, often toying with the opposition "come and get me, come and get me" like a prize fighter in the ring.

We were really proud of our team, the way they played with much fairness and enthusiasm, not taking themselves too seriously, the way football is meant to be.

Many thanks to the families that came along, supported and had some fun and laughs.

See you next year.

### **W7C**

What a fantastic team to be involved with! The girls' friendship and soccer skills grew during the year which made it very enjoyable for all. Each match they played always had lots of enthusiasm. They progressed greatly and had a very successful year winning lots of games. Awesome effort and spirit W7C. See you in 2016!

### **8C**

The team assembled for the first training, and managing 10 enthusiastic 7 year olds proved to be a big learning curve for this very organised, structured coach. This year in the 8's was a step up to a bigger field and some new concepts like, throw-ins and corners. Over the weeks the team gelled and everyone was enjoying their soccer.

We started off with a couple of wins and then hit a patch of losses, in the back half of the year we were winning everything as the boys started to understand positions and started playing well as a team. In the end we finished with 6 wins, 2 draws & 5 losses the highlight being an 8-0 win.

All the boys had a great time and had some really special moments throughout the year and we scored a total of 32 goals. Special mention to Drew who left the team late in the season to start a new adventure in Melbourne. All the boys showed courage and teamwork throughout the season.

As a coach I had great support from the parents which added to a good team environment. Hopefully the year was fun for all the boys and keeps them in the game for years to come. Thanks to all the refs and ground controllers and volunteers that support us throughout the year.

Natalie Hayllar

### 9B

What a wonderful season the 9B's have had! They won every game bar 2!! The boys all jelled together so well as a team & really excelled in their individual positions creating the very strong team they became. Their passing was exceptional & even drew comments from other teams. Each player had their own strengths that they brought each week to the field: Jamie has his powerful kick & goal scoring, Daniel : goal scoring & tackling, James: goal scoring & positioning, Jaya : goal keeping & accuracy, Ryan: goal keeping & attack, Jake: consistency, Ian: solid defence, Tommy : goal keeping & Ronan : defence. These are just outstanding strengths but all the boys are strong in other areas as well. It was such an enjoyable season with the boys bringing true passion & determination each week. Special thanks should be made to Richard , who, as coach, brings so much dedication into teaching the boys not only how to win games but to enjoy playing as much as they do. Looking forward to 2016!!

### 9D

Another awesome season by 9 of the top U9 players from Caringbah Redbacks!

The boys put on another fabulous display of good sportsmanship, team camaraderie, positive manner on and off the field and entertainment again. There were nail biters and some very tight games to some lovely stress free games in full sun with easy wins.

The team was near mirrored from the U8's yet one missing and two newbies gained! The team gelled well, and as the season went on the boys found themselves in more of a routine with their desired positions and the team formed well.

In the season we saw some great action in goals from many of the boys, but Cruze and Connor, took on the goalie shirt quiet a lot of the time, both putting their body on the line for many a save or when under attack. Jayden and James kept the back covered all season and provided some very good attacking when needed showing some good ball skills and skilled passing to win the possession of the game back. Clay the pocket rocket has possibly covered every inch of every field we played on this season, and must of made contact with the ball for over half the game, each game, when Clay was needed....he was there ! Cody, Lincoln, Charlie and Jack were our star midfielders and forwards and between them all contributed to our tally of goals scored. Cody scored the goal of the season when he was facing away from the ball, waiting for the corner kick at the goals looked around when ball was mid air and just tapped the ball in for goal. Charlie was also another top classic goal scorer when after a couple of weeks giving it everything he had plus more...scored a beautiful goal...at the time it seemed like it was

delivered in slow motion, it was well deserved. Lincoln also put in some fancy footwork and took a ball to the face a couple of times all in the name of football. Jack was just as usual the quiet achiever, popping up when he need to, to score some great goals.

All the boys had an exciting experience in goals at one time or another and every boy scored at the least a goal.

The boys had some great direction this season from all that supported them, but especially from their awesome, dedicated Supa Coach - Rod. Thanks Rod for always being there for the boys, not only for coaching, but for instilling in them that football is also about having fun and that the importance of team spirit and moral.

Thank you to all the families from near and far that came to watch the boys play, rain hail and shine, some from Interstate some from overseas, it's nice to think that the U9's has such a great following !! I feel that when the boys could see their family and friends on the sideline supporting them it gave their spirits a little extra kick.

To end, on behalf of all the parents and families of the boys, I would like to congratulate all the boys on their absolute beautiful behaviour and their positive attitude throughout the season. There were wins and losses and some really challenging games, yet they all came off field with fire in their bellies as they did when they went on. Not dwelling on any of the negative and only wondering if there was a bag of sweets ready to be handed out or who was to have the trophy that week. We played at Gala Day at Bexley North and it was here that it was highlighted how well behaved our boys were on and off the field, and it was great to know we were one of two representing the club and could show other teams how its done, it also helped we won 4 out of 5 games !

I myself are so proud of this fabulous team, because of their spirit and moral and I'm honoured to represent the team at away games for the boys and especially at Gala Day. Boys, you are to be congratulated !

Well done ! You did it ! So lets do it again next season yeehhaaaa !

### W9A

What a great season the W09A girls had. They are a great little team and have sensational support from a lovely group of parents.

This season we hardly lost a game and this was down to some wonderful goalkeeping by Livinia and Ella. Our defence was super solid with Tamara and Kelis keeping things tight at the back. Hayley, Tahlia and Hollie were strong and industrious in midfield and Chloe B, Chloe N and Tayte were outstanding up front with a bucket load of goals between them all.

The girls are a solid unit and play really well together. They continue to improve and are looking forward to playing on a bigger field next year. I would like to thank our great Coach Tim Blanch for his hard work and patience with the girls.

Your manager  
Michelle Neudegg

### 10B

On behalf of Tedy and myself I would like to congratulate all the boys on a fantastic season. I must say this is the most enjoyable season I have had coaching. To see the way all the boys came together as a team and played some impressive football. The team work and passing has at times been amazing to watch. It has been great to see all the players improve in their own way, all this showed in our results with the team winning most of our games. In a rain interrupted season we won 10 - lost 3.

The Team: Luke C - Goal Keeper Great season Luke, you showed some great courage and pulled off some good saves to keep the team in the game. We were all impressed with your skills out of goals as well as a field player, it was difficult having to play both in and out of goals and I thank you for the effort you put in.

Jackson R - Goal Keeper/defender Great season as well Jackson in your dual role, solid as a rock in defence, the opposition certainly knew when they had been tackled by you. Second half goal keeper, same as with Luke you showed great courage and pulled some really good saves. Both you and Luke C kept the team in the game.

Kyan - defender: Well Kyan, we found your position, what a revelation as a defender, you would have to be one of the players that showed the most improvement during the season. A quality defender who was always first to the ball and never gives up. Great to see that smile on your face and you enjoying your football so much. Who could forget that goal you score!

Jackson F: defender: Another solid season from you Jackson, hard as nails in defence not much got past you, you showed great speed, ferocious tackling, good in the air and when you won the ball a good awareness and passing game. You and Kyan formed a great partnership at the back and didn't give the opposition a chance.

Henry - defender: Who would of thought this was Henry's first season, you played like a seasoned veteran. A really solid left hand defender, you are up there with Kyan as the most improved players over the season, well done Henry you gave 110% every game

Aidan - left midfield: The quiet achiever of the team, You don't hear much from Aidan but you certainly notice his play on the field, a very skilful player who's involvement in the play

improved as the season went on, another very reliable player that worked well in the midfield partnership.

Luke R - Centre midfield: Great season Luke you showed skills well beyond your age, you held the team together at times and really controlled the middle of the field as a good centre midfielder should. You formed an outstanding partnership with Aidan, Zac and Billy in midfield. Your ball control and dribbling skills were amazing at times. Luke was the top goal scorer for the season with some unstoppable shots on goal, great season Luke.

Zac - right midfield: Zac is one of those players every coach wants in their team, he's a worker who gives 110% every game. Zac showed a never say die attitude, he has great defensive skills as well as being a great attacker, Zac scored some fantastic goals during the season but none better than in the last game, what a goal, a long range effort, not that far from half way, Zac put one above the keeper and into the top of the net, what a goal, possibly the goal of the season. Well done Zac.

Jack H - Forward/midfield/defender: Jack started the season as an out and out striker and scored some impressive goals. I have to thank Jack for his efforts later in the season when he was moved around into different positions. The problem was that every position I put Jack in he excelled and gave his all. Great goal scorer, great ball winner in midfield, and brilliant defender who was always first to ball and lifted the team with his enthusiasm, Jack never complained about being moved position, he just wanted to be out there playing with his team, another player every coach wants in their team.

Billy - Forward/Midfield: a player with a great attitude and never gives up. Billy has great ball skills and positional awareness as a forward and in the midfield. Billy formed a great partnership in the forwards with Luca/Brock and Jack. Fantastic ball control and dribbling skills. In the midfield Billy/Luke R and Zac formed a great combination and showed some unbelievable team work. Billy was a pleasure to coach. A highlight of my season was Billy's goal late in the season v Barden Ridge, from a corner Billy rose above all the players, got his head to the ball perfectly and headed it straight into the goal not giving the keeper a chance, straight out of the EPL!!

Brock - Forward: Another fantastic season from Brock, an out and out striker with a great awareness for team play and passing. Brock is a great student of the game and this shows in his level of ball skills, amazing control with some brilliant first time touches, Brock also knows what to do in front of goal. A great team player who gave his all every game. Brock has a great attitude and was a pleasure to coach.

Luca - Forward/everywhere: what a ball of energy, Luca had an unbelievable season showing great ball skills, his dribbling and control has to be seen to be believed. Luca scored some impressive goals during the season and was a real handful for the oppositions defence, he was there one minute and gone the next. A player with skills well above his age and only got better

as the season went on.

Lastly a big thank you to all the parents for your support of the team, it was good to see so many parents/grandparents at the games cheering the team on. From speaking with you I know you all got as much enjoyment as Tedy and I did watching the way the boys played this season.

Tedy and I hope to see all the boys back next season, have a great summer.

### **10F**

Team 10F had a great time this season. Everyone tried hard each game. They have learned a lot of skills and had lots of fun too (Thanks to the coach, Ben). Saxon really enjoyed goal keeping and has grown very confident in it. Jesse, Jamie, Seth and Curtis have learned to work together as a team. Nelson and Dre have become very proactive in defending. Ash, Aidan and CJ improved their passing and tackling skills too. Finn was so keen to play the last game that he went straight to play after sleeping only for a few hours after the

flight from England.

### **W10B**

The girls of W10B were a tough bunch, whose display of constant determination and fearless play got them through a good, solid season. All girls showed so much improvement individually and also as a team. We welcomed this year Arngeer, Amwan and Daniella to their first year in this great game. Our season this year had many draws, some losses and even though we didn't secure a win, it came close so many times and we always tried our very best.

But a win was coming....the team competed in an U10's gala day at the season end, and came away UNDEFEATED! They won 2 games and drew 1! What a brilliant night it was, so much cheering and fun was had by everyone!

One of the girls highlights this year was when they were asked to be Mascots for the Australia (Matildas) vs Vietnam game and they got to walk out with some of their idols. Such a thrill for the girls.

Our awesome team consisted of:

Sarah & Michelle – who were an awesome defence combination in the backs and cleared many big kicks away up the middle.

Lauren, Indiana & Isabella – simply fantastic in attack, always charging up front combined with their speed keeping the opposition constantly on the defence. Always played tough.

Daniella & Shadae – so courageous and always put their bodies on the line to take back the ball off the opposing team. Constant charging up the middle and sideline.

Arngeer & Amwan – Solid defending and your goalkeeping saved many goals! Great effort for your debutante year.

Lucinda – Tiny in size which never mattered to you, your goalkeeping was outstanding and showed fantastic supportive play.

Congratulations to you girls, your massive effort throughout the year was appreciated and we are so proud of you all. We are looking forward to a great year next year!

Carol Orsina – Team Manager

### **W11A**

We had another super season with the mighty Redbacks. Our team is improving each year and I am so lucky to be able to coach such a lovely group of girls.

This season we had Lucy, Tara and Lucia sharing most of the goalkeeping duties. They all did a sensational job in a position that is very hard to master. Tara and Lucia are 2 of our quickest runners and also came up with a few goals this season too. Lucy is probably our best keeper and she proved this when we finally managed to beat Sylvania in the U11 Gala day. Lucy made some sensational saves to keep a clean sheet and we went on to win 1-0. Finally we beat them – Yes!!

Our defence this year was really solid. Murphy-Lee, Emma, Lauren and Cameron were like a brick wall and nothing much got past them. If it did, Lucia was normally there to sprint back and make a tackle.

Brooke, Mikayla, Tara and Lucia did an awesome job in midfield supporting our strikers and running back to defend with needed. Top effort girls!

Olivia and Lara were outstanding up front and scored numerous wonderful goals. I seem to remember Lara even scoring with her left foot! Lucy also did a super job when she played up front. Well done girls!

All in all, I was very proud of the girls and the way they have improved each and every season. Bring on 2016 and the full field!

Your Coach  
Andy Neudegg

## 16B

This was a great year for the boys, going all the way to the Grand Final (again), and just missing out on the win (again).

We lost a few of our players from 2014, but were able to find some great replacements in Kirian, Branson and Matt – welcome to the team, boys.

**Ben Skinner** – Ben had another great season, and scored a bunch of winning goals for us this year. Ben also had a stint as stand-in goalie for a number of games, and did a great job there too. But it was as striker that Ben shone, where his hard work, speed and determination turned games for us. Wonderful season Ben.

**Alec Ginters** – Alec once again finished the season on the sideline, breaking his leg halfway through the year (off-field). Alec's positive attitude was welcome at training and at games, and his talents were sorely missed up front. He scored some crackers early in the season – no more scooters, skateboards, or bikes for you next year!

**Josh Eagle** – Josh had his best season yet, and was player of the match on more than one occasion. Josh has some great moves with the ball, and his defensive playing was outstanding this year. Josh was able to play positions all over the park (not that he always wanted to), but he gave it 100% every time. Thanks Josh.

**Tom Moss** – Tom played right Fullback most of the year, and was an inspiration to his teammates with his composure and skill. Tom stood in as goalie for a few games and stunned everybody with his gazelle-like grace and elegance. Tom.... Just wow. A fantastic season from a very accomplished player.

**James Donnellan** – James played left Fullback this year, and was an outstanding player each and every week. James has a quiet confidence in his skills, and his ability to win the ball and start attacking moves was a real weapon for us. Another awesome year from James – thanks so much.

**Matt Nakken** – Matt's first year with the team and he fitted in immediately. Always keen to challenge himself, Matt became a super reliable player with speed, space and a great finish. A pleasure to coach - welcome to the team.

**Branson Moore** – Branson also joined us this year and his passing game and chasing just got better as the season went on. Branson found a home on the right wing and his blistering pace helped us get so close on Grand Final day. Well played this year, Branson.

**Alex Clarke** – Alby had another fantastic year, culminating in his best EVER performance in the Grand Final – best on field! With speed to burn, and a determination to win every challenge, Alex proved himself formidable as Sweeper this year. Congratulations on a wonderful season.

**Josh Bode** – our superhero Stopper, Josh had his characteristic powerhouse season. With his now trademark scream of “NOT IN MY HOUSE!”, Josh is a player and fan favourite. His partnership at the back with Alby, and his willingness to give it his all EVERY minute of EVERY game, makes Josh one of the reasons our defensive record is so good year after year.

**Indy Eck** – and the other reason for our defensive record is Indy. Indy went overseas for 6 weeks, and returned just in time for the semi's. But he picked up where he left off, and his courage and skill in goals saved us in both the semi-final and final. Indy is an inspirational player who never fails to impress – thanks and congratulations on yet another fantastic season.

**Christian Heyke** – Christian really matured as a player this year, and played strong at both Right Wing and Right Fullback. His speed down the sideline and his wonderful crosses gave us so many opportunities, and his match-winning goal 2 minutes from full-time against Como put us into the finals. Another great season from a talented player.

**Kirian Ayres** – Kirian was the off-season signing of the century, and his first ever season of soccer was simply incredible. Kirian played most of the year as Centre Half, and scored a stack of goals. His speed and footwork were matched by his deft touches and great finishes. A quiet player, Kirian played the central role with apparent ease, and was tireless in attack and defence. An awesome rookie season.

**Matt Stuart** (Vice Captain) – Matt had his usual season of outstanding soccer, and his ability to turn the play around with his intensity and great ball skills was an inspiration to the team. Always vocal and involved, Matt showed the way forward each time he played. Thanks for your passion.

**Joe Newcombe** (Captain) – Joe had a slow (?) start to the season, but after moving to Right Half, he welcomed the extra space and was instrumental in setting up some great attacking runs. Joe's defence was determined and solid this year, and he led the team with integrity and composure. Thanks for another great season.

I would also like to thank **David** and **Terry** for their help at training each week, and also to our Manager **Jill** for all her work behind the scenes. Thank you, thank you, and thank you.

We trained so hard, played so well, and came so close. But we did have a great year along the way, and I truly enjoyed the chance to coach this team of first-class young men. Thanks guys, and I hope to see you all next year – when we finally win that GF!

Mark (Coach)

### W16A

After such a fantastic season last year, this year turned into a struggle. Promotion to the A's and losing a couple of players made for a long year.

Whilst the girls tried hard the fact we couldn't put 11 on the field, let alone have reserves, took its toll with the team even having to forfeit at one stage.

Highlights were few and far between but 2 standout games against Barden Ridge and Engadine showed what the girls are capable of when everyone gives 100%.

Hopefully all the girls will sign up again next year and we can go on to bigger and better things.

### 18B

#### Premiers!

As they say, winners are grinners. However more importantly, our story is about the journey. Believe it or not, this year was about preparation for 2016. It was about increasing the individual skill of each player, then playing as a team with a specific focus/strategy all designed around being a very competitive 18A team in 2016. We achieved this, and there is no more evidence that supports this, than winning the premiership in the style that we did by

completely outclassing the opposition by playing to our strategy. To score 8 goals, in a grand final, against a team that had beat us in round 1, 0-0 draw in round 2 and we beat in the Major semi 2-1 was the culmination of the boys playing to their potential, at the right time, as a team, on the biggest stage of the year. A truly memorable day and a very rewarding year, an absolute pleasure to be a part of.

Looking forward to next year

Rossi & Sir Alex

### **AL2**

After a mid table finish to 2014, and some short numbers at pre-season training, coach Freeland looked to the international market to bolster the squad for 2015. Nandos family connection sealed the services of Carlos, an up and coming talent from Chile, while an eagerly awaited FIFA club release from his native Argentina confirmed the arrival of star recruit Fernie!

The season started well. A draw, a win and an unlucky loss. This season was looking promising, as long as we got a few 50-50 calls our way, stayed fit, turned up to training, cancelled holidays, turned down attendance at Greek weddings and remained sober on Saturday nights. Of course none of this happened. There was Kareela synthetic pitch and Daints' knee, Frasers ankle/red cards, Danny T's back, James' hamstring/bicep/glutes, the list goes on and the season went on and on..... and on. But it wasn't all bad. These seasons are "character building" and there are always new things to learn. For example, Uberbrau is not a bad drop.

On a positive note, Kieran had a blinder of a season and earns player of the year, Fraser managed to stay fit/disciplined enough to earn another golden boot, Kiel got a 2 yard tap in, Azzo got off the mark, Ben got off the nudie and Coops got in a cameo in the final match.

I suppose if you look at the statistics it was a bad season. Rock bottom, cellar dwellers, wooden spooners call us what you want. We won the season undefeated in 2013. We'll keep living that glory.

### **AL15**

2015 we are calling a year of building. We started AL15s with 16 guys who didn't know each other, with a mix of ages ranging from 22 to 38, we had a lot of experience and then some guys who hadn't played since under 10s. So after the first game we had lost 1 player for the year due to a knee reconstruction, and 2 Italian imports, only one of whom, would return for the last game, that was a great donation to the Redbacks club those 2 were and they have paid for next year already, and 2 guys were injured for the next 5 weeks. So game 2 we had 11 players to start. Over the season we had many injuries and guys come and go, thanks to our new signings Joel and Michael, it gave us a few more players for the weekends. We managed a few wins and draws it felt good, considering we only had a full team for 5 games it wasn't a bad effort. Many thanks go to over 35s who helped us out on many occasions. Top goal scorer was David, best player was Chris, players' player was Griffio, best goal was Pete and biggest hit was Pete. Well

next year can't come quick enough and we have 11 guys keen and committed for 2016 starting with summer soccer.

**45D**

**MINOR PREMIERS AND PREMIERS!!!!!!**

We played, we scored, we WON!!!

Well done guys, well deserved.

That's what Zahny told me to write!
