At the Monthly General Meeting held in April 1987 it was unanimously passed that appropriate steps be taken to have North Caringbah Junior Soccer Club become an incorporated body under Section (10) of the Associations Incorporations Act 1984.

On 10th September 1987, the then Department of Business and Consumer Affairs, approved the club's application and we became officially known as:

North Caringbah Redbacks Junior Soccer Club Incorporated

This is in accordance with the Association Incorporation Act, 1984 No.143.

The Constitution of the Club has been partly based on the Model Rules of this Act (Part 1 Schedule 1).

The by-laws for the day to day administering of the club were passed at the Monthly General Meeting held in February 1988.

At a Special General Meeting held on 18th January 2007 a resolution was passed that the name of the club be changed to:

Caringbah Redbacks Football Club Incorporated

The aims and objectives of **Caringbah Redbacks Football Club Incorporated** are to foster and develop soccer football in the area and by affiliating with the Sutherland Shire Football Association Incorporated, provide competitive games as required for all players who register in the prescribed manner as directed by that Association.

Caringbah Redbacks Football Club

shall do all things necessary to implement and enforce any decision of Football New South Wales and the Sutherland Shire Football Association Incorporated relating to any player, official or person who is a member of this Club or seeks to be a member of this Club.

PRESIDENT'S REPORT

This has been a very different and challenging year for everyone all over the world and in particular for those of us involved in community sport. The outbreak of Covid-19 had a major impact on everything and almost stopped us in our tracks.

Thankfully we were allowed to continue and still managed to get our teams out on the park although a lot of people thought it would never happen. This season was not the same as usual but at least we got to play some football!

In addition to having to deal with the challenges that Covid-19 threw down to us, we also had to deal with not having a home ground this year. I am really pleased to say that our pitch is currently being renovated by Sutherland Shire Council but this meant we had to relocate all our home games and training to other fields. I would like to pass on my greatest thanks to Dave and his committee at Gwawley Bay as they have been so welcoming and helpful by hosting all our competition home games this season. In addition, I would like to thank Matt and his Committee at Cronulla RSL. They have hosted all our Mini-Roo teams and also our training requirements. It is really pleasing to see how other clubs can work together to help each other out.

This is the second year that we have been using the SSFA Mini-Roo training program together run by SSFA. I am glad to say the new program continues to be a great success with great positive feedback from the parents. A big thank you to Geoff Holden and his team from the SSFA for their work each Friday night at Solander.

I would like to pass on my greatest thanks to all my committee members. There are a couple that I want to make a special mention. Steve Smith, my Vice President, has been so supportive and helpful over the season and is always around to help me out. Liz Spink, our secretary, is the backbone of the club and we would be lost without her. A massive thank you to Melissa Rommel our Registrar. She has helped me no end this season and I would be lost without her.

Andy Crawford has been brilliant again behind the scenes keeping all our finances in check and Kim Doyle has been helping get all our cash banked each week. Well done guys!

I have had a fabulous team working with me again this year and have welcomed some new members to our committee; Michael and Natalie. I would also like to thank other committee members who regularly give up their time to assist at the club (Giulio Di Stefano, Ryan Pike, Steve Loxley, Andrew Lawler, Scott Milsted, Claudia Trotter and Howard Fox).

I would like to congratulate Steve Harris and Dan Tehira for receiving the highest club award this year by being awarded Life Membership of our club. These guys have played for Redbacks for over 20 years each and have been great members of our club. They played for the O35E's this year and were also awarded with being premiers too. A great moment in a season that has had its challenges. Well done to both players and the rest of the O35E's.

Congratulations too to our U18D's team who also became premiers this season finishing top of the table. Bad luck to the W12B's who just missed out finishing top by goal difference, maybe next year!
Well done to all our teams, I hope you all enjoyed playing this year and come back next year for more fun at our wonderful club.

Redbacks is a family friendly club and I pride myself on knowing most of our club members and families personally. We are all part of the local community and the club provides a safe, fun environment which grows stronger each year. I am very proud of our club and what we offer the local community.

This season we had 440 players register with the club. I am very pleased to say that once again we had large numbers of Mini-Roo players (234). Our club is made up mostly of junior players, 77% of our players are 18 or under. This sets us up for a very good future.

Once again, a big thank you to everyone involved in helping me to make this another very successful season for the mighty Redbacks. I hope to see you all again in 2021 on our fantastic new pitch!

Your President
Andy Neudegg

SECRETARY'S REPORT

Well, this season could only be described as, among other things, very different. From a deferred start date, to not playing at all and back to starting later in the year we finally hit the fields ready to go.

As we had no home field this year, due to Council redoing our pitch, a huge thank you to Cronulla RSL for hosting our miniroo teams and also providing training facilities for our teams, it was much appreciated. Also, to Gwawley Bay a big thank you for hosting our competition sides at your fields, this too was much appreciated.

Again, a huge thanks to Andy our President who makes sure everything runs according to plan and it was definitely a lot harder this year.

Congratulations to Steve Harris and Dan Tehira from our O35 team who were awarded Life Membership of our club this year, well done to two very deserving Redbacks and congratulations also to the O35s on being Premiers. Congratulations to our 18Ds who were also Premiers this year. Well done to both teams.

Huge thanks to our Registrar, Mel whose job was definitely no easier this year (in fact it was probably harder). Well done and thank you Mel.

Thanks to our fantastic committee once again for all your help as usual, nothing is too much trouble.

Hoping to see you all again next year back at our new home ground!!!!

Liz Spink
Secretary

REGISTRAR'S REPORT

We had a very successful and challenging year at Redbacks this year. It was great to see that all the effort put our players out on the field.

This was my 2nd year as Registrar and with the tremendous support I had, I'd like to say I thoroughly enjoyed my year being on the Redbacks Committee. I'd like to say a big thanks to Andy Neudegg for his support and taking my calls at all hours as we worked to achieve our extended season. Also, a big thank you to Andy Crawford and Liz Spink for answering all my queries and assisting with the registration process.

We were down a little on numbers from last year however I'm pleased to say we had 440 registered players, making 41 Redback's teams.

I have listed below some further statistics that have been downloaded from the system.

Total Registrations: 440		
Mini Roos (5-11)	213	48%
Youth (12-18)	139	32%
Senior (19+)	88	20%
Total Teams: 41		
SFF (5-11)	25	61%
Youth (12-18)	10	24%
Senior (19+)	6	15%

From 30 January 2021, the online registration system will be available once again.

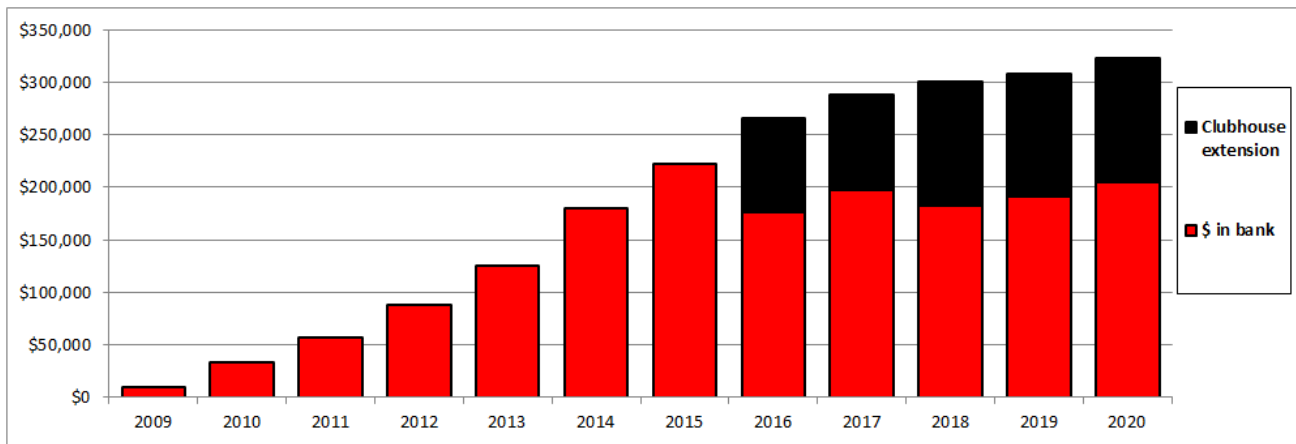

Thanks again for a great 2020 and hope we see you back for more soccer in 2021.

Your registrar
Melissa Rommel

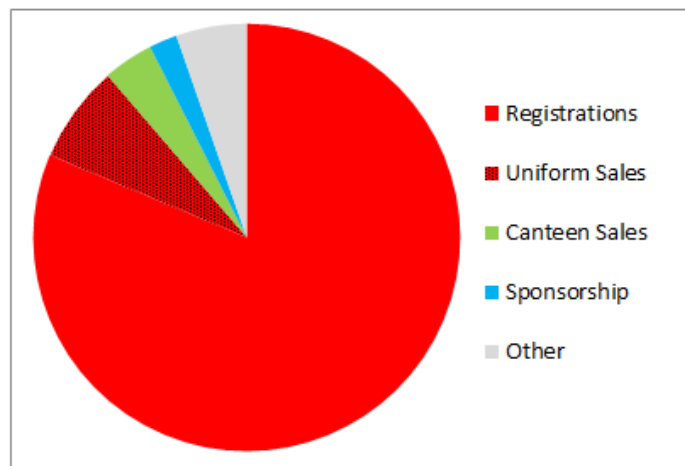

TREASURER'S REPORT

2020 has been a challenging year for the club, but we have come through the season with positive signs. Covid 19 and the fabulous refurbishment of our field has created their own challenges. Despite no access to our field, clubhouse, and canteen we were able to respond and survive. Our canteen stocks may be depleted, but we are ready to plan for a great 2021! Our bank balance has increased and is still looking healthy. Go the mighty Redbacks! 🐜

TECHNICAL DIRECTOR'S REPORT

"Don't try to be the best kid on your soccer team.

Try to be the best FOR your team."

I think we will remember the 2020 season as being somewhat different to anything else we have ever experienced.

No home field! Back in May we didn't even look like kicking a soccer ball as COVID changed our lives! What else could happen ?

And then, the light at the end of tunnel as we kicked off the 2020 season on Saturday 4th July !

And we called Solander and Canberra Road our home for 2020 as North Caringbah Oval was being transformed into the best field in the Shire!

On those cool and chilly Saturday mornings, our MiniRoo teams had lots of fun playing and having fun which is what it's all about.

It is important not to lose focus that our kids are there, not only to learn, to play their friends !

With an extended time frame, we were able to play 12 /13 rounds of football in 2020. Unfortunately, the other Clubs did not have the foresight like the Redbacks and voted against Grand Finals in 2020.

Our competition teams enjoyed their season with the mighty 35Es leading the competition at the end of the season. Minor Premiers – well done !

A great effort by all involved as you have done yourselves and the club very proud.

In 2020, Friday night MiniRoo training and Redbacks Tiny Tots was conducted through the Sutherland Shire Football Association Academy but at Solander which saw some issues around wet weather and lights.

Thanks to Geoff Holden and his team for running the specialised training program for our players who have continued to improve their skills, which are reflected in our achievements by our younger teams.

However, on those dry nights it was magnificent to see all our young kids and their coaches and managers enjoying the training sessions. A big thank you to all the mums and dads for their help during the season for getting the boys and girls to training on those cold Friday nights each and every week and also getting them ready on game day. A great team effort by all this season.

Unfortunately the famous Redbacks Friday BBQs were put on hold but I am sure it will make a comeback again next year at our new home.

In closing, I would like to say a big thank you to all the Redbacks Committee members this year for their continued support and assistance in the running of the Caringbah Redbacks club.

And finally, a big thanks to all the mums, dads, players, coaches and managers for their assistance and helping the club when needed.

See you all again in the Red & Black in 2021.

And of course, at our new field.

And go the mighty REDBACKS !!!!

U6B (Ryan, Henry, Max, Jaden, Max and Darcy)

The boys started the season off strong and it stayed that way through to the final game making them undefeated for the season.

Ryan's speed was unmatched, Max's passing was out of sight and Jack's defence and focus was impressive. Henry's commitment and improvement was a joy to watch as was Darcy's and Jaden's ability to hit the back of the net again and again.

Their success came from their ability to work as a team which was nurtured and guided by their committed Coach Dave and Assistant Coach Andrew. A big thank you to both for a massive effort.

And an extra thank you to all the parents for their fabulous support of U6B!

6H

It's been a wild year, but the 6H's embraced the ride and had a ripper season.

Friday afternoon training was always a good laugh and the boys especially liked throwing rocks in the creek and showing each other their undies. Oh yeah, they also liked having a kick occasionally, especially if it was in the form of games like shark attack or rob the nest.

Despite training feeling like mayhem, we must've been doing something right because we won most of our games. Up front we had Freddy dazzling with his speed and footwork, while our enforcers Ethan and Louis never took backwards steps. Around the middle Marshall and Harvey weaved their magic, while Alec was like a wall at the back with his super boot.

All of the boys showed signs of improving throughout the year and I'm proud of how hard they always tried.

If the winner is the team who had the most fun, then we finished top of the table! Thanks for having me as your coach boys.

COACH: Dean James

MANAGER: Sharn Gregson

This is the second year these boys have played together and they had another amazing year. Not only do they win A LOT (11 wins and 1 narrow loss this season), they are good sports who genuinely love the game and have a blast playing with each other every week.

With a tally of 87 goals for and only 10 against in 2020, the boys are ready for the challenge of the bigger field and goals next year! Bring on 2021 for these little Redbacks

7G

A great year for the U7G's (Taylor, Lucas, Elias, Beau, Asher and Liam).

It was a new team and the boys clicked from the get go showing what teamwork is all about. They trained hard every Friday afternoon (thanks to Coach Beau and Manager Annie) and put their skills on display every Saturday morning scoring lots of goals, winning many games and most importantly having loads of fun. Although not having a league table in under 7's the boys finished with an 8-1-2 record and scored an amazing 63 goals in their 11 matches played! Highlights of the season were Lucas' Messi-like footwork, Taylor ripping down the net (on many occasions), Liam and Elias' dominance in defence, Beau's teamwork and passing and Asher's speed up and down the field. It was great to see 100% effort, along with plenty of laughter and half time oranges.

Thank you to all the parents for assisting throughout the season and the understanding shown with complying to COVID match day rules.

Looking forward to season 2021...

The first season of what we all hope will be many of this team playing together was short but sweet. For a few of the team this was the first ever season playing soccer, and even for the boys who've played before, the change to a bigger field and goalkeepers meant there was still plenty to learn. Throw-ins took time to understand.

The season did not begin well, the boys experienced narrow 1-0 loses away to Gynea and Sylvania in two of the first three games. From there the team bonded and began to find their stride. Tyler, Oscar and Olly began to control the ball from the centre and create chances. Will Walton, Novak and Lenny started to establish themselves as ball winners and tacklers. Leaving Lachlan, Will and Austin to lead up front. All round, a great team and all the players either scored or created chances all season. Winning all games from round 4 on; the season wasn't long enough and all the boys look forward to 2021 where they can play fair, with respect, and have fun as a team.

All the boys did their parents, club, coach and most of all themselves proud.

10 C

This year's 10C was the combination of last year's 9B and 9E teams. This season the team transitioned onto a larger field and a larger team with the addition of a midfield. Having a midfield proved a challenge to the team along with scoring goals.

The boys tried very hard in each and every game they played this season with only one win and a draw to show for it. It was at times heartbreaking for the boys always pushing to score but coming away empty handed. Some of the results would have been completely different if that ball just went in. Despite a solid defence we went 5 consecutive games without scoring a goal.

Down on confidence in round 10 we were drawn against Bosco away from home, one of the larger, faster teams in our group. As always our defence played their socks off keeping Bosco at bay and we managed more shots on goal, until late in the first half Bosco scored from a corner. The boys kept heart for the second half, Bosco really started to press hard in attack but couldn't break through. A quick transition from deep midfield to attack saw our team break away to equalise. Bosco pressed even harder but this time we broke away down the left to score and take the lead half way through the second half. From there the team's confidence was sky high and there was nothing Bosco could do to score, it was our only win of the season and it was well deserved.

Despite Covid 19, the lack of goals and the shorter season (10 games in 12 rounds), the boys had fun, always trying something different and always giving their all. I am proud of each and every one of them, Noah, Valentino, Finn, Dane, Leo, Hank, Archie, Brae, Andrew, Finnlay, Evan and Luca.

12C

We had a great year with the 12Cs during 2020. The team came together as a mixture of groups who played in different competitions last year. The boys worked well together and all of them improved their skills over the year.

I really enjoyed coaching the team and want to thank Renee our manager for all her work and support throughout the season, we eventually worked out how to fill in the Match sheet. I also thank all the parents who were very helpful and great supporters of the team.

The boys showed some great skills in their football and I enjoyed working with them all. The boys played well individually and as a team. Congratulations on a great year:

Luke - our captain who struggled with an ankle injury all year but never stopped trying.

Knox - scored some great goals and dribbles through the opposition very well.

Abraham - played up front always worrying defenders with his speed and great passing.

Ben P - the wing back who stops the other team but also joins attacks with his runs down the wing.

Daniel - didn't play as many games as we hoped but was a great defender who tackled well and passed to our team.

Micah - great left foot and showed some good tricky moves down the wing.

Riley - never stops running and dribbling with his step overs and good touch.

Lex - a great striker who also helps the defence when needed, his first touch is quality.

Aaron Bir - great passer who always worked hard for the team, improved his dribbling all year.

Asad - midfield machine, runs all game and is a great link between defence and attack.

Nicholas - played well at central midfield, always working hard for the team.

Tyler - a skilfull player who is able to trick defenders with his skill.

Ben M - played some great games as defender and in midfield, Ben always supports his team and works hard.

Aaron Bin - enjoyed his role in defence while showing his silky skills when he had the ball.

My favourite memory of the season was actually a defeat. We were losing 4 nil at half time and it was not looking good. I asked the boys to put in a big second half so they were not embarrassed. The final score of 4 - shows the character of the team. If the game went for another 5 minutes I think we would have won.

Other memorable moments were the sideline commentary and the parents dressing so well for match day.

W14X

Another great year for the girls in W14X. After finishing mid of the pack in C grade in 2019, being elevated to A grade for 2020 was shaping up to be a tough year, but the girls rose to the challenge and ended the season mid of the pack in A grade (6th). The team produced some amazing performances and each and every player should be very proud of their efforts in 2020.

While lacking in a specialist goalie, the rotation system did provide some nervous moments as the girls awaited position announcements before the start of each game. But every girl had a go in goals and did their best for the team. A special mention to Ella who during the season put her hand up to help out as part-time goalkeeper and excelled in the position. Mention also to Hayley who played in goals while injured and also produced some great games, including saving numerous penalty kicks.

The success in 2020 was once again driven by our solid defensive efforts. With arguably the competitions strongest defensive players - Tamara, Hayley, Livinia and Ella, and late in the season Lilly and Daniella, our against record was on par with all of the top 4 teams and allowed us to match it with the A grade teams during the year.

With only 12 players in the team and COVID rules meaning that even the slightest sniffle would sideline a player, we managed only 2 games all season with our full squad. This often meant our halves and forwards had to work extra hard and rotate around positions, often being forced to play multiple positions during the game. Our specialist halves - Hollie, Chloe, Charlie, Lilly and Charlee, worked tirelessly throughout the season and often came off at halftime in desperate need for the 5 minute breather. Up front we pressured most sides through a mix of speed and bullet-like kicks, with Daniella, Mikayla and Isobel often being called upon to help out in other positions during the year and doing so with ease.

A mention to our two new players in 2020, Isobel and Mikayla, who were a welcome addition to the team and fit straight in to the group and both didn't stop running all season. Both girls were called upon to change around positions depending on team availability from week-to-week and both assisted in keeping our defensive record so strong.

A special thanks also to our 'super subs', Keira and Bridget from the W12Bs who helped out on numerous occasions and despite playing up 2 years were as tough and committed as any girl on the field.

Our player of the match points system was a very close contest this year, and as a demonstration of how much of a team effort the year was, every player received at least one point in 2020, which was a great outcome. But over

the year, the player who received the most points and awarded the 2020 player of the year, was Hayley. Hayley received points in almost every game in 2020 which highlights the consistent solid performance that Hayley delivered. She was a key part of our defensive record, both on the field and in goals.

Probably one area where the team had a difference of opinion with the coach and manager was training. The weekly training in 2020 may have produced some great TikTok videos and plenty of opportunities to catch up on gossip and latest school assessment results, but not a lot of fitness sessions were actually completed. Maybe next year that will be our focus.

A thanks to Corey (coach) for his time and effort at training and games each week. A thanks also to the parents who came to the games and supported the girls and made sure they got to training (or gossip catch up) sessions each week.

The final and most important thanks goes to the girls. Thanks for being so versatile during a sometimes-difficult season. This is a great bunch of girls who are a credit to the Redbacks jersey and I hope to see all of the girls back again next year for another great season.

W16B

Well what a strange year of soccer that was. This is the 10th year in a row that I have been coaching some of these girls and a couple of them (Lucia Broach and Lucy Neudegg) have played every year!

We didn't think we would actually get on the park and play a game due to COVID-19 but finally we kicked off and got off to a winning start by beating St Pats 2-0. We managed to score 2 goals before I actually took my spot on the sideline. Well, I thought we would do OK in B grade and may even finish in the top 2.

However, as we played more teams the opposition seemed to get better and we lost our way a little, especially in the middle of the season. We let our heads go down when we went behind and goals seemed to just fly in against us. Things just didn't go our way and we copped a few losses and dropped down the table.

The girls showed their inner strength and picked themselves up to finish the season strong by beating a Seagulls team that had boosted their squad by borrowing better players. We then finished off strong with a 0-0 draw against Bangor in our last game who had previously beaten us 5-1.

We finished the comp second last but went out on a high and hope to come back stronger next season as W18. These girls are a crazy bunch but all have hearts of gold, sometimes they drive me mad but I love them all dearly and have had great fun coaching them over the last few years. They can all play soccer and really excite me when they string some passes together. I just wish they would do it more often and try to do less "kung fu" when trying to control the ball!

Bring on 2021

W21C

What an interesting season for the mighty Redback W21Cs both on and off the field. It was certainly different this year but at least we were able to play some football.

This year we welcomed some new players in Tiffany, Nicole, Georgia, Bree, Ellie D, Ellie E & Sophie. Not sure the girls liked the idea of playing early on Sunday mornings but to their credit they turned up and played to the best of their ability.

Congratulations to the faithful girls who turned up for training every week. In between some idle chatter we actually did some training. And a huge thanks to Craig – couldn't have done it without you buddy!

And our supporters each week. Your cheering noise and positive attitude makes a very important difference.

Wishing good luck to all the girls completing their HSC exams – I am sure that you will all do well. Hope to see all the girls back next year.

SWF

First let me introduce you to the SWFANTASTIC Sixteen Jodie, Kathy, Amy, Sandy, Jenny, Sam, Debbie, Lisa R, Lisa C, Amanda, Nadine, Kat, Emma, Marieke, Talita & Luisa.

Well Ladies we weren't quite sure when this season was going to start with this WU-HU Flu 🦠 running amok & causing havoc. But finally a date had been agreed upon and our 1st game was on the 5th July.

We welcomed 5 🖐️ new players into the REDBACKS 🕷️ family Kat, Marieke, Talita, Emma & Luisa. Unfortunately, we lost Luisa after only 1 game after she was doing a Tony Hawk but not very well apparently as she injured her ankle badly and was out for the rest of the season. Hope you are on the road to recovery and have retired from skateboarding 🛹. The remaining 4 all had a great 👍 year and wore the REDBACK jersey with pride.

With the Over 30's no longer we were back to Senior Women 🧑 F but I'm sure some of teams we played were definitely not Seniors. They were young 🧒 and fast, faster and really faster.

We had 10 different goal 🏠 scorers thru the season so good sharing guys. Here is the run-down - Jodie 4, Marieke 4, Kath 3, Talita 2, Sandy 1, Sam 1, Amanda 1, Rigsy 1, Emma 1 and look at you go Amy 1. Kath could have had

another one 🙌 🎯 but we won't mention that missed penalty haha 🤦. And if you guys want some pointers on how to improve your goal 🏠 scoring skills just ask Nanna Barb it's easy she says, all you have to do is kick ⚽ the ball 🏠 into the back of the net.

We had girls  that played the year with injuries but hey  they still gave  each week and never ever gave up but that's the way we REDBACKS roll. I was going to mention these girls individually but as I think  about it I'm sure everyone had an injury one time or another. Age is a bitch haha.

A big shout  out to all the girls that put their hands  up and gloves  on to play I think one of the most scariest positions on the field "Goalkeeper". You all did a fantastic job with some great saves. Each week every player gave their all and then some more. We had girls that had to play out of position due to injuries, lack of numbers but they all took it in their stride  and kicked butt.

The wins we had were great  ones to watch. Every player contributed to the wins with the Backs defending the attacking raids, the Midfielder's & Wingers pushing the ball  thru with some great passes to the Forwards & Strikers with them slotting the ball past their keeper and into the back of the net  and the swoosh sound was music  to our ears . We had some tough, physical (Ridgebacks) games throughout the year especially when we came up against those teams that had girls that were just out of nappies . But they didn't get their wins easy we definitely made them work hard  for them. They could run  boy could they run but they couldn't hide from the Mighty, Mighty REDBACKS.

Amy made a new buddy after only 1 game and it was our little friend the purple  armadillo. She enjoyed their friendship    so much she got down on the ground and rolled around with it - such a beautiful thing to watch. The little bugger reared it's little head  a few more times thru the season and a few of the girls Sandy, Sam & Nadine were its target  but they managed to stay upright. So unfortunately by the end of the season there was only 1 member of the fall over nothing club haha  .

It was another great  year with you Ladies everyone had an outstanding season. We had lots of laughs   on the sideline some of them with you and some of them at you haha.

We had 3 awards    given out at our little soirée at Nadine's and they were MVP, BGL & Coaches Award and all the recipients were deserving of them.

MVP - Jodie (even though she got 2 pieces of cheese  haha).
BGL - Sandy
Coaches Award - Nadine

Congratulations  Ladies we can celebrate   together in a few weeks.

The Fantastic Four were together again for another season -

Lyndsey - Coach & Jam Preserver - This girl can coach. Put her hand up  once again and gave her all to the team. See you in 2021.

Liz - Manager - This little lady is the gel that holds this team together. She is Lyndsey's right hand  person and is always there to lend an ear  even though I think that one is deaf now.

Nanna Barb - Statistician & No 1 supporter once again - Was there every week rain

, hail

or shine

with her trusty notebook  in hand to record all the important stuff.

Gaynor - Match Report Writer - As long as Amy keeps playing who gives me so much material to write about I will continue to scribe.

Signing off now and let's bring on 2021

Gaynor
