

Child Protection Policy

At Caringbah Redbacks Football Club (CRFC), the safety, wellbeing, and welfare of children and young people is our highest priority.

We are committed to maintaining a safe, supportive environment for all participants - from players, coaches, officials, volunteers, or spectators.

As an affiliated member of Football NSW and the Sutherland Shire Football Association, CRFC fully upholds and implements the Child Protection Policies and guidelines of these governing bodies, as well as those of relevant government agencies.

There are serious legal obligations for anyone working with or engaging with individuals under the age of 18 - including referees, players, and coaches. CRFC takes these responsibilities seriously and expects all members to do the same.

To support this commitment, the CRFC Executive Committee appoints a Member Protection Information Officer (MPIO) to act as a point of contact for any child safety or member protection concerns.
